EDUARD NIELSEN

Studies in Biblical Theology - Second Series

Ten Commandments In New Perspective

Craig A. Evans, Jeremiah J. Johnston

Ten Commandments In New Perspective:

The Alien in Israelite Law Christiana van Houten, 1991-01-01 One of the first systematic and critical reconstructions of the history of the social class of aliens in ancient society this study develops new insights gained from the sociological approach to biblical literature As Israel developed from tribal society to state from state to confessional community and from confessional community to province the identity and legal status of the alien developed in a concomitant way Laws which initially afforded the alien only partial social and cultic inclusion in the pre exilic period eventually required complete equality between the alien and Israelite in the postexilic period Interested Parties David J. A. Clines, 1995-11-01 One of the more creative Old Testament scholars of our time David Clines offers an enjoyable and provocative set of studies on ideology The title of a keynote essay Why is There a Song of Songs and What Does It Do to You If You Read It hints at the twin focus of the volume the ideology of the writers who bring the biblical texts into being and the ideologies of the readers who are shaped by the text at the same moment as they are shaping it in their own image Among the essays are The Ten Commandments Reading from Right to Left Metacommentating Amos David the Man The Construction of Masculinity in the Hebrew Bible and Psalm 2 and the MLF Moabite Liberation Front **The Decalogue** David L Baker, 2017-04-20 David L Baker offers a rare and valuable study of the Decalogue or Ten Commandments within their biblical and ancient Near Eastern setting In addition to an informative discussion of introductory and background issues he gives each commandment focussed attention offering commentary as well as consideration of its meaning for today What is the Decalogue Shape form origin purpose Loving God 1 5 loving God worship reverence rest family Loving neighbour 6 10 life marriage property truth coveting The Decalogue Today Bibliography **The ten commandments in new perspective** Eduard Nielsen, David J. Bourke, 1965 **Deuteronomy** Eugene H. Merrill, 1994-06-01 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *The Compassionate, but Punishing God* Nathan C. Lane, 2010-03-08 Lane provides a canonical analysis of the credo of Exodus 34 6 7 and its major parallels in the Hebrew Bible He argues that the credo was an important theological expression for the ancient Israelites and that the final form of the Tanak is marked by the use of the credo These uses in the final form of the canon give evidence of the theological tension over the presence of the foreigners in the postexilic community And this tension is marked by the use of the credo in texts that emphasize YHWH s covenantal relationship with ancient Israel Torah movement toward the nations Prophets and YHWH as king over the whole earth Psalms To Hear the Word - Second Edition John Howard Yoder, 2010-01-01 Of very few people can it be legitimately said that their work fundamentally reconfigured the landscape of two theological disciplines But if there is anyone in recent memory who would be worthy of such an accolade it is John Howard Yoder The two disciplines are of course theological ethics and biblical studies though Yoder would cringe at their separation and his work was both explicitly and implicitly a prolonged exercise in maintaining their indissoluble union For him to hear the word rightly was to

do the word publicly Yoder guides us toward a truly ecclesial yet missional reading of Scripture with a profoundly Anabaptist yet ecumenical and catholic spirit in historically astute and literarily sensitive ways that are nonetheless straightforward and pastoral Or as he would himself say he guides us toward a reading of Scripture that proceeds from and focuses on Jesus Vicit Agnus Noster Eum Sequamur Our Lamb has conquered let us follow him from the foreword by Michael J Gorman **New Outlook** ,1952 **Searching the Scriptures** Craig A. Evans,Jeremiah J. Johnston,2015-11-19 This work critically engages the hermeneutical methods used to analyse the New Testament writings so that the lenses through which studies of the texts have been traditionally viewed can be revised Jeremy Hultin contributes an article on the rhetorical use of the chosen citations by Jewish rabbis in their commentary on scripture while Mark Gignilliat writes on the potential implications for viewing Old Testament Scripture in the manner of the early Church exegetes and theologians With these two contributions providing a frame for the other chapters the essays explore a range of topics including the significance of the number 42 in Matthew the study of Wisdom in Matthew the extent to which the four gospels are underlined by Hebrew material if any the use of Hebrew material in shaping New Testament writings and the uses of Scripture in the letters of Paul and the letters to the Hebrews Read separately these articles provide fascinating insights and revisions to established ideas on intertextuality between the Old Hebrew Bible and the New Testament writings Taken together the collection presents a solid argument for the fundamental revision of our current hermeneutical practice in Biblical Studies **You Shall Not Steal** Robert Karl Gnuse,2011-08-05 The biblical injunction not to steal is often used to defend the notion of inviolable private property and the right to accumulate great wealth The author demonstrates that this is a misuse of the biblical text and that on the contrary the commandment s purpose was to guarantee everyone s right to basic necessities of life

The Enigmatic Realm of **Ten Commandments In New Perspective**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Ten Commandments In New Perspective** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
