## Ten Go In:

Tengo Sed James Fleming, 2010-10-16 The Trauma ICU of a Level 1 trauma center is the setting for this thought provoking novel which reveals the ruthlessness of medical education and practice James Fleming recounts a day in the life of a resident in emergency medicine at an urban teaching hospital The novel's title which translates loosely as I thirst echoes the Christ of St John Tengo Sed's protagonist however known only as Hovercraft because he is always around always feeling on edge is not a savior but a hapless resident with a tendency toward mysticism Through Hovercraft TM's sleep deprived eyes we see patients and their families doctors and nurses and we share Hovercraft's increasingly nightmarish perceptions of a world in which things are not going right The story is remarkably raw and honest full of mystery instead of certainty failure instead of success and humanity instead of science Frank Huyler author of Right of Thirst A brutal and beautiful book I read it straight through in one sitting totally absorbed deeply touched and frightened at the same time The writing is taut edgy and original with not a wasted word James Fleming has written a small tough masterpiece John Nichols author of The Milagro Beanfield War Stripped down elemental and willing to explore feelings of alienation and rebellion felt by a significant minority of medical students interns and residents Paul Linde author of Danger to Self On the Front Line with an ER Psychiatrist

Yo La Tengo's And Then Nothing Turned Itself Inside-Out Elliott Simpson, 2025-02-06 Hailed as a quiet masterpiece upon release Yo La Tengo's And Then Nothing Turned Itself Inside Out proposed a radical new future for rock music Released at a time when the music industry was changing dramatically thanks to the rise of online file sharing it suggested that the only way for a band to survive was to listen to themselves A delicate and hushed album its songs explore the quiet battles that take place every day and the beauty that can emerge from the ordinary In many ways this is reflective of the story of the band that made it self managed for most of their career and having maintained the same line up since 1992 Yo La Tengo almost resemble a suburbs based nuclear family And Then Nothing argues that great art does not come from suffering but instead steady unglamorous work It is an album that helped forge a new mythology for rock and roll one not built on sex drugs and debauchery but instead the quiet lives of people living in peaceful suburban homes From the nothingness of the everyday something incredible can emerge

*Tengo Síndrome de Down... ¿y qué?* Éléonore Laloux, 2015-02 El libro de leonore es un documento de una fuerza excepcional que muestra hasta qué punto los prejuicios y estigmas con los que demasiado a menudo convivimos sin hacernos preguntas no son tan inexpugnables Contando con el apoyo decidido de unos padres admirables y con un enorme deseo de vivir una vida plena esta muchacha rebelde alegre ingeniosa y tenaz no sólo consigue independizarse y vivir una vida amorosa plena sino que pasa revista con sus reflexiones a todas las grandes cuestiones de la existencia Haciendo que a menudo al leerla nos olvidemos por completo de la genética y sus supuestas constricciones Esta lectura supone un desafío para el lector y pone en aprieto muchas concepciones paternalistas sobre el Síndrome de Down Concepciones con las que muchas veces nos consolamos cada vez que nos
