Ten Little Speckled Frogs ,2003 Colourful and amusing interpretation of this popular rhyme Turn the dial to make the frogs jump off the log into the cool pool Perfect counting fun , **Play Activities for the Early Years** Herjinder Uppal,2011-09-12 Play Activities for the Early Years contains over 140 fun activities to encourage purposeful play There are six chapters communication language and literacy mathematical development knowledge and understanding of the world creative development physical development and personal social and emotional development The activity pages are clearly laid out and well illustrated making the book easy to use Many of the activities have accompanying blackline masters providing a variety of written and pictorial resource material *Fine Motor Fun, Grades PK - 1* Flora,2010-05-18 Facilitate fine motor development in special education students in grades PK 1 using Fine Motor Fun This 160 page book is full of suggestions and reproducible activities that strengthen fine motor and visual perception skills It includes scissors skills lacing cards stencils finger plays stringing activities dot to dots tracing finish the picture activities mazes and tactile and first pencil experiences The book supports NCTE and NAEYC standards Puppet & Flannelboard Stories for Numbers, Shapes, and Colors Belinda Dunnick Karge,2002-09 *Math at Their Own Pace* Greg Nelson,2007-09-04 As a dedicated early childhood teacher you aim to provide an environment where students make new discoveries and test their limits But when it comes to teaching developmentally appropriate math you might welcome help from an expert with teaching experience based on the latest research on math learning Math at Their Own Pace offers a series of predesigned inexpensive activities that you can create and place on the shelf for children to use when they are developmentally ready and interested This child directed approach provides a broad range of hands on math experiences that will help your students learn to solve problems creatively Math at Their Own Pace covers awareness of stable quantities and emergence of counting skills recognizing and writing the numerals 0 though 9 counting to 10 and beyond emergence of whole part awareness Greg Nelson PhD is a professor of early childhood education at Bridgewater State College in Bridgewater Massachusetts and has been a lead teacher in a Montessori program He holds a PhD in educational psychology human development and cognition **Maths is all Around You** Marianne Knaus,2015-04-23 We encounter mathematics on a regular basis in one form or another For some people maths is scary and not something they feel confident about Even though many educators and parents attempt to provide good mathematics experiences there is still a high level of anxiety about the teaching and learning of mathematics This book presents a broad range of concepts and aims to widen the narrow view that maths for young children is just about numbers and shapes The content includes pattern early algebra counting number early operations measurement shape and spatial awareness geometry matching sorting data analysis and the introduction of chance statistics and probability This book is intended for educators and parents who would like to explore and investigate maths concepts to enrich children s experiences and extend their current thinking and learning *Inside the Classroom (and Out)* Kenneth L. Untiedt,2005

Inside the Classroom and Out examines folklore and its many roles in education. Several articles explore teaching in rural school houses in the early twentieth century while others provide insight into more serious academic scholarship in the field of folklore itself. One chapter looks at the early years including works about day care centers, scout programs, children's books, and the basic definition of what we mean by folklore. Another chapter covers high school cheerleading, football yearbooks, and beliefs of Hispanic students. There is a chapter dedicated to Paul Patterson and his contribution to teaching, a chapter that covers college experiences with stories about early Aggies, ghosts on university campuses, and collegiate cowgirls, and a chapter involving scholarly works such as ways to help improve our memories, a linguistic study of cowboy poetry, and a comprehensive look at folklore studies.

Jungle Beat Lynn Kleiner, 2005. The perfect mix of music, creativity, and fun for music teachers, classroom teachers, and childcare providers. Students will enjoy learning about the jungle and its creatures through captivating songs and activities. Includes many imaginative lesson ideas for young children that capture the delightful power and excitement of interactive musical learning. Classroom curriculum, singing, and playing instruments, crafts, and snacks are integrated, overlapped, and joined for a joyful, inventive learning experience. This title has received the iParenting Media award as one of the Best Products of 2006.

Drama 3-5 Debbie Chalmers, 2014-08-21. Would you like to offer constructive, creative, and exciting new dramatic learning experiences to the children in your setting? The importance of using drama to promote active and creative learning in the early years is widely recognised, and this fully updated second edition of *Drama 3-5* will guide and inspire practitioners in all settings, allowing them to lead drama with confidence and enthusiasm. Young children participating in well-planned drama activities learn to express themselves clearly and develop strong social skills, more self-confidence, and a greater understanding of co-operation and teamwork. *Drama 3-5* contains a wide range of accessible activities and sample session plans drawn from the author's many years of extensive experience, which have all been fully and successfully tried and tested with children from 3-5 years. The book also explains the theory and value of all of the activities, as well as possible extensions and the ways in which they contribute to the learning objectives and goals of the Early Years Foundation Stage, allowing practitioners to encourage and assess children's progress. Key chapters include Building confidence, Encouraging social interaction, Mime and expression, Speech and language, Co-operation and teamwork, Performance skills. This book offers the tools and understanding needed for confident dramatic play and learning, making it an ideal companion to support every practitioner who wants to explore, develop, and enjoy drama and have fun with their children.
