Tender Is the Night is the fourth and final novel completed by American writer F Scott Fitzgerald It was first published in Scribner s Magazine between January and April 1934 in four issues The title is taken from the poem Ode to a Nightingale by John Keats **Tender Is the Night** Francis Scott Fitzgerald,2022-05-17 Tender Is the Night Francis Scott Fitzgerald s last completed novel intricately weaves the narratives of love ambition and the complexities of human relationships against the backdrop of the glamorous yet disillusioning 1920s Written in a fluid and lyrical prose style Fitzgerald employs stream of consciousness techniques and shifting perspectives to depict the rise and fall of Dick Diver a charming psychiatrist and his unraveling marriage to the enigmatic actress Nicole Warren This literary work dives deep into themes of mental illness the impact of wealth on personal identity and the existential despair that pervades a seemingly glittering society Fitzgerald often regarded as one of the greatest American authors was heavily influenced by his experiences within the expatriate community in Europe and the tumultuous nature of his own marriage The novel reflects the author s keen observations of the recklessness of the Jazz Age and the inevitable decline that accompanies excess and ambition With its semi autobiographical elements Tender Is the Night captures Fitzgerald s struggles with his own psychological demons and the constraints of fame I wholeheartedly recommend Tender Is the Night to readers who seek an introspective exploration of human frailty and the profound disillusionment that can arise from love and success Fitzgerald masterfully evokes an emotional landscape that resonates with anyone grappling with the duality of aspiration and despair making this novel a timeless and essential read

Father-Daughter Incest in Twentieth-Century American Literature Christine Grogan,2016-10-03 The first major study to challenge the narrow definition of post traumatic stress disorder PTSD by rereading six American literary texts this book argues for the importance of literature in representing not just circumscribed singular traumatic events as Cathy Caruth argued in the late nineties but for giving voice to chronic and cumulative or complex traumatic experiences This interdisciplinary study traces the development of father daughter incest narratives published in the last hundred years from male authored fiction to female authored memoir bringing new readings to Fitzgerald s Tender Is the Night Ellison s Invisible Man and the Dylan Farrow Woody Allen case This study builds on the work of those ushering in a second wave of trauma theory which has argued that the difficulty of speaking about a traumatic experience is not necessarily caused by neurobiological changes that prevent victims from recalling details Rather it s from social and political repercussions In other words they argue that many who experience trauma aren t unable to deliver accounts they fear the results There is a significant gender component to trauma whose implications along with those of race and class have largely gone unexamined in the first wave of trauma theory Exploring two additional questions about articulating trauma this book asks what happens when the voice of trauma is crying out from what Toni Morrison has called the most delicate most vulnerable member of society a female child and second what happens when the trauma is not just a time limit event but chronic and cumulative experiences Some traumatic experiences namely father daughter incest are culturally reduced to the untellable and yet accounts of paternal incest are readily available in American literature This book is written in part as a response to the psychological community which failed to include complex PTSD in the latest edition of the DSM DSM 5 denying victims many

of whom are father daughter incest survivors the validation and recognition they deserve and leaving many misdiagnosed and thereby mistreated

flawed and he wanted to re write the final section Despite its uncertain unveiling Tender is the Night is currently hailed as an insightful account of aristocratic life and as a lyrical and intimate portrait of a troubled couple Two versions of the novel are in print The original 1934 version employs a flashback to present a portrait of the young Dick and Nicole and of the beginning of their relationship The revised version published posthumously in 1951 progresses in chronological order and was possibly Fitzgerald s reaction to criticism of the book s temporal structure following its initial publication A 1962 film Tender Is the Night is based on the novel American Expatriate Writing and the Paris Moment Donald Pizer,1997-09-01 Montparnasse and its caf life the shabby working class area of the place de la Contrescarpe and the Pantheon the small restaurants and caf s along the Seine and the Right Bank world of the well to do for American writers self exiled to Paris during the 1920s and 1930s the French capital represented what their homeland could not a milieu that through the freedom of thought and action it permitted and the richness of life it offered nurtured the full expression of the creative imagination How these expatriates interpreted and gave modernist shape to the myth of the Paris moment in their writing is the altogether fresh focus of Donald Pizer s study of seven of their major works Pizer elucidates a striking difference between the genres of expatriate autobiography and fiction and arranges his discussion accordingly He first examines Ernest Hemingway s A Moveable Feast Gertrude Stein s The Autobiography of Alice B Toklas and The Diary of Ana s Nin 1931 1934 all of which depict the emergence and triumph of the creative imagination within the Paris context He then turns to Hemingway s The Sun Also Rises John Dos Passos Nineteen Nineteen and F Scott Fitzgerald s Tender Is the Night which dramatize the tragic potential in seeking a richness and intensity of creative expression within the city s setting Henry Miller s Tropic of Cancer a relatively late example of American expatriate writing constitutes a synthesis of the two tendencies Pizer shows Through careful readings of the texts Pizer identifies both the common threads in the expatriates response to the Paris moment and the distinctive expression each work gives to their shared experience Most important he addresses the neglected question of how the portrayal of the Paris scene helps shape a specific work s themes and form He traces such experimental devices as fragmented or cubistic narrative forms the dramatic representation of consciousness and sexual explicitness and explores the powerful and evocative tropes of mobility and feeding As Pizer demonstrates Paris between the two world wars was for the American expatriates more than a geographical entity It was a state of mind an experience that engendered the formal expression of a personal aesthetic The engaging and significant interplay between artist place and innovative self reflexive forms composes Pizer maintains the most distinctive contribution of expatriate writing to the literary movement called high modernism
