Finding Your Voice Shabona Shakee Banks, 2011-04-20 *Finding Your Voice* is breath taking inspirational and an inspiring piece I want for you the reader to be able to embrace my thoughts my ideas and my feelings on a life changing level Knowing words have power I have combined them with an artistic and poetic dialect I am the woman that desired to write this book and allow the world to see that I have goals dreams emotions and feelings just like you I have experienced in my life a lot of negative spirits that have lead me to understand that no matter what happened to you no matter where you come from no matter what color you are you have the choice and the power in changing your life and to make a difference in the world When you totally envision and engulf your life with positive thinking this will allow you to see things in a motivating way which can help you bring the best out of yourself My life is changing day by day and I thank God for this enlightenment I hope and pray that you will read these words and meditate on them Let them become your hearts rhythm and find some kind of understanding in your life through my life Having felt like I had no voice like I was invisible to people for years was depressing but knowledge has brought me wisdom and knowledge also brings power I changed my thought process and my life now is filled with positivity and encouragement Now I know I have a voice inside of me This is a part of my journey and my destiny that has lead me to start writing everything my thoughts things I went through plus my true feelings the end result is this *Finding Your Voice* *Touching and Being Touched* Gabriele Brandstetter, Gerko Egert, Sabine

Blinded by the Sun Seamus Guyver,2013-10-30 A passage between the stars the moon and the thoughts caught within all of us The different emotions we hide sometimes when left staring at the sun feeling the moon within your mind For all the people and chances that have gone before Of all the times we felt so much alive and the regrets we hold like the dark side of the moon Knowing the journey will lead us within the sun changing our views Feeling a step within life is just a change within our minds Now feel the journey within one mind take the time to ponder all the thoughts and feelings felt within one sun and the mood of this life and how it can lift you higher and take you down when you lose the focus of the road that lies ahead and people who move like ghosts within your trail Knowing one day you will unite the Sun and the Moon and find a distant peace within your heart This may take time and Journey will have many falls But the road is just a reflection within the memories of our minds

Thirsty for More Allison Allen,2018-09-04 When it comes to our connection with God we dread dry seasons when we feel far from our life sustaining Creator and redeemer We want to dwell in lush valleys not wander in trackless deserts And yet during the first three centuries of the church many men and women purposefully moved into deserts to seek God They understood something that we have missed a desert is not a place of vast nothingness but a place where we can truly experience God s provision restoration and intimacy Through Scripture and personal stories of her own times of waiting and struggle Allison Allen offers a fresh perspective for women who dare to believe that God is doing something of eternal value in their dry seasons She shows how God can use these times in our lives to reveal himself to us to give us rest to get our attention to show us our strength to experience his blessings and more Any woman who has been feeling spiritually sapped will welcome this refreshing message of hope
