The American Promise Hope Or Hoax:

The American Promise--hope Or Hoax? Herb P. Van Deven,1977 **Catalog of Copyright Entries. Third Series**
Library of Congress. Copyright Office,1978 **The Manion Forum** ,1974 **The American Promise, Volume I: To 1877** James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann,2012-01-09 The American Promise is more teachable and memorable than any other U S survey text The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable The past comes alive for students through dynamic special features and a stunning and distinctive visual program Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students geographic literacy A rich array of special features complements the narrative offering more points of departure for assignments and discussion Longstanding favorites include Documenting the American Promise Historical Questions The Promise of Technology and Beyond American s Borders representing a key part of a our effort to increase attention paid to the global context of American history The American Promise, Volume II: Since 1865 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann,2012-01-09 The American Promise is more teachable and memorable than any other U S survey text The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable The past comes alive for students through dynamic special features and a stunning and distinctive visual program Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students geographic literacy A rich array of special features complements the narrative offering more points of departure for assignments and discussion Longstanding favorites include Documenting the American Promise Historical Questions The Promise of Technology and Beyond American s Borders representing a key part of a our effort to increase attention paid to the global context of American history The American Promise, Combined Volume James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann,2012-01-09 The American Promise is more teachable and memorable than any other U S survey text The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable The past comes alive for students through dynamic special features and a stunning and distinctive visual program Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students geographic literacy A rich array of special features complements the narrative offering more points of

departure for assignments and discussion Longstanding favorites include Documenting the American Promise Historical Questions The Promise of Technology and Beyond American s Borders representing a key part of a our effort to increase attention paid to the global context of American history

Fraud Against the Elderly United States. Congress. House. Select Committee on Aging,1981

America at the Brink of Empire Lawrence W. Serewicz,2007-01-01 Addressing issues of continuing if not heightened relevance to contemporary debate America at the Brink of Empire explores the foreign policy leadership of Dean Rusk and Henry Kissinger regarding the extent of the United States mission to insure a stable world order Lawrence W Serewicz argues that in the Vietnam conflict the United States experienced an identity crisis a near Machiavellian moment to use the concept of J G A Pocock whereby America came close to assuming an imperial role stretching the country to the limits of its identity as a republic Serewicz offers a revealing look at the parts played by Rusk and Kissinger and President Lyndon Johnson in bringing the nation to the brink of empire in the years 1963 75 As a true believer in liberal internationalism Rusk set the stage by defining the war in Vietnam as a threat to the world order based on the United Nations security system created after World War II Johnson kept an open ended commitment in Vietnam without a clear goal in sight even as he pursued the ambitious domestic reforms of the Great Society In refusing to choose between either an imperial mission or a true republican position for the nation he brought it perilously close to becoming an empire ultimately failing to achieve his goals either at home or abroad Kissinger corrected for Johnson s overreach implementing a pragmatic realism based upon the principle that the United States is an ordinary country a republic not an empire within the international community and therefore must balance its commitments with its resources In concluding Serewicz reflects on the continuing relevance of the Machiavellian moment for the United States by observing the differences and similarities between the presidencies of Johnson and George W Bush America at the Brink of Empire illuminates the far reaching consequences of Rusk s and Kissinger s widely divergent foreign policy philosophies and outlines the tension that a statesman must reconcile between a republican government and the maintenance of a stable world order

School Is A Joke Immaculata Chukwunyere,2021-10-28 School Is a Joke Ethnography of Inner City Public School Students Perception and Sensemaking of School and Schooling explored minority and low SES inner city high school students perception and sense making of school schooling learning academic behaviors and academic achievement through an integrated theory of human development learning and achievement The author sought an understanding of the reason behind the persistent academic failure of inner city minority and low SES high school students as well as the academic achievement gap within and between this subgroup of students Conducted in a high poverty high minority comprehensive inner city high school in the south of the United States of America the aim of the study was threefold First the author explored the factors operating in high school students thoughts feelings actions and reactions to school and academic achievement Second she examined the mechanisms by which these factors operate Third she utilized an integrated humanistic paradigm in analyzing student

learning and academic behavior the interaction between student characteristics and school processes and the school culture that emerged from the interaction The integrated framework for the study comprised of Bronfenbrenner s bioecological model of human development Bandura s sociocognitive theory of learning and Bourdieu s concept of habitus The study s findings have implication for student learning academic behavior and academic achievement school organization and functioning as well as administrative behavior and school culture

America's Promise William J. Rorabaugh, Donald T. Critchlow, Paula Baker, 2004-03-12 America s Promise is a concise highly readable introduction to American History Designed to clearly explain major themes and events it also captures the rich and often amusing character of the American people The strong narrative emphasizes public life and how individuals constructed public structures in which they lived and worked Including the latest scholarship in social cultural and political history the work integrates the history and importance of women and minorities To aid students in learning and reviewing each chapter begins with a preview of the main ideas that will be discussed and ends with a conclusion that reinforces the key concepts Rather than being simply declaratory signposts section headings highlight main ideas and help carry along the narrative A glossary defines main terms and a timeline helps students keep track of events Selected readings are also included to encourage further reading and study Finally carefully selected illustrations and maps portray pinpoint and illuminate important episodes in American history The most concise and competitively priced book available America s Promise is a breath of fresh air in the introductory market
