The Ancient Path:

Walking the Ancient Paths Walter C. Kaiser Jr.,2019-06-19 Ask for the ancient paths ask where the good way is and walk in it Jeremiah 6 16 In Walking the Ancient Path distinguished Old Testament scholar Walter C Kaiser Jr draws on a lifetime of study to illuminate the book of Jeremiah for a contemporary audience Following an introduction that surveys the historical and literary background of Jeremiah along with its theological emphases Kaiser examines each verse of the text explaining its meaning and significance Every section is followed by devotional and application insights that guide the reader in applying the text to their everyday lives Bibliographies in each section provide resources for further study and most textual and linguistic matters are discussed in footnotes Pastors scholars and serious students of the Bible will find this volume indispensable for understanding Jeremiah s message and how to apply it today The Crossroads Brett

Heintzman,2015-01-21 We ve lost our way and God is calling us to return to Him Every church walks a path comprised of methods programs worship styles etc The paths our churches travel may have served us well in the past but they are losing their effectiveness with every passing day Christian churches in America are facing the challenge of decline yet many cling to their current paths expecting fresh results of revival and renewal We are deceived and need direction God told Israel through the prophet Jeremiah This is what the LORD says Stand at the crossroads and look ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls But you said We will not walk in it Jeremiah 6 16 NIV Today churches are standing at a crossroads The Crossroads is a critical point of decision that can mean life and fruitfulness or death and extinction depending on the choices we make today Will we stay on the unfruitful paths or will we seek God for the ancient paths of His choosing Paths of Holy Spirit power and Kingdom purposes At the crossroads the choice must be made The Crossroads points the way to the ancient paths of true Kingdom fruitfulness The Ancient Paths Craig Hill,1992-01-01

To Be Cared For Nathaniel Roberts,2016-04-26 To Be Cared For offers a unique view into the conceptual and moral world of slum bound Dalits untouchables in the South Indian city of Chennai Focusing on the decision by many women to embrace locally specific forms of Pentecostal Christianity Nathaniel Roberts challenges dominant anthropological understandings of religion as a matter of culture and identity as well as Indian nationalist narratives of Christianity as a foreign ideology that disrupts local communities Far from being a divisive force conversion integrates the slum community Christians and Hindus alike by addressing hidden moral fault lines that subtly pit residents against one another in a national context that renders Dalits outsiders in their own land Ancient Paths to Pequot William Davis Miller,1936
