Not Too Far from Here Kim Boyce Koreiba, 2015-07-01 During a time of deep distress or disappointment have you cried out to God Why is this happening What did I do to deserve this How will I recover from this Does God care about what I am going through Why did He allow this Not Too Far from Here is for anyone who has been hurt Hurt so badly it's hard to eat or sleep You attempt to present yourself as being okay for the sake of your kids spouse or friends but you are really not okay With biblical insight and compassion Kim Boyce Koreiba shares her story providing essential and doable steps to bring you comfort encouragement direction and hope Place your hand firmly into the hand of Jesus Christ the Savior Call upon His Spirit to learn how not to fall prey to a victim mentality after being wounded You can trust Him Stand up brush yourself off and believe that God has a plan Jesus your hope is not too far from here God's Will by the Holy Spirit Nancy Johnson-Smothers, 2025-02-19 God's Will by the Holy Spirit is a book that replenishes faith in people and reveals some Bible stories that many people have not heard the immaculate birth of Mary mother of Jesus the actual age of Joseph when he met Mary after the death of his first wife and six children This book is a Bible aid with scripture references for the Old and New Testaments a table that identifies the nations that will reunite with Russia and a table comparing heaven and hell It explains the events of Jesus saving 10 percent of the Old Testament saints and the rapture meeting Jesus in the air to go to heaven It analyzes the book of Revelation and discusses present day lifestyles and more Truth from the Earth Art Shotwell, 2015-11-03 Written in semi autobiographical style the book intertwines personal testimony scripture and the nature of God The author shows how seemingly trivial or isolated events combine with sad or challenging circumstances over a period of years or even decades to work together for good according to Romans 8:28 These same events may be key factors necessary for us to experience in order to fulfill the plans and purposes God has for nations or individuals as described in Jeremiah 29:11 The book addresses issues which are either unclear or unmentioned in the Bible These include the fate of infants or small children who die before having faith or being baptized what happens to friends relatives or others we love who may have gone through life without knowing Christ as their personal savior and entire populations who have never heard of Christ over many centuries The book identifies the unpardonable sin in a manner that removes all doubts and questions The book also confronts serious misinterpretation of scripture in what the author calls God's Greatest Truth or Satan's Greatest Deception Finally the author compares the Commentary on Habakkuk uncovered in the Dead Sea Scrolls to

events in modern history showing that this prophecy of things which were destined for the last generation have been fulfilled Additionally he describes in detail another archeological discovery yet to be revealed which can be verified scientifically and will be incontrovertible proof to Jews and gentiles alike that God is real and Jesus is Lord and Savior **The Art of**

Overcoming Tim Timberlake, 2023-05-16 Life is full of everyday setbacks In *The Art of Overcoming* you will learn how to process these moments and triumphantly move beyond them *The Art of Overcoming* explores how we deal with loss grief and hurt and challenges readers to keep what looks like endings from discouraging or derailing us The pain we experience is real but there s a difference between acknowledging it and giving into it Rather than seeking a fake hope that pretends loss doesn t exist or doesn t matter author and pastor Tim Timberlake encourages us to pursue hope rooted in God and gives this reminder don t quit The process of overcoming is not about understanding everything or living without pain but about finding healthy ways to process the scary strange and sometimes devastating circumstances we face *The Art of Overcoming* is divided into four parts using the imagery of a traditional funeral ceremony as a framework to process the death experiences we face regularly in this crazy journey called life *A Matter of Life and Death* explores five foundational perspectives about grief and loss *The Processional* encourages us to face head on the reality of our experiences *The Eulogy* helps us memorialize and honor what has been lost and how to process grief in a healthy way *The Recessional* is about closure as we discover life after death and move forward No matter what you ve gone through or are in the middle of right now better days are ahead Let God heal your heart in His timing take time to grieve what needs to be grieved and then celebrate the new life God lays out before you *The Cause of God and Truth* John Gill, 2001-03 *The Ethics of Microaggression* Regina Rini, 2020-10-29

Slips of the tongue unwitting favoritism and stereotyped assumptions are just some examples of microaggression Nearly all of us commit microaggressions at some point even if we don t intend to Yet over time a pattern of microaggression can cause considerable harm by reminding members of marginalized groups of their precarious position *The Ethics of Microaggression* is a much needed and clearly written exploration of this pervasive yet complex problem What is microaggression and how do we know when it is occurring Can we be held responsible for microaggressions and if so how How has social media affected the problem What role can philosophy play in understanding microaggression Regina Rini explores these highly topical and controversial questions in an engaging and fair minded way arguing that an event is a microaggression precisely because it causes a marginalized person to experience an ambiguous encounter with oppression She illustrates her argument with compelling examples from media politics and psychology and explains the significance of essential concepts such as media representation reparative renaming and safe spaces *The Ethics of Microaggression* explains what microaggression is and offers strategies for combating it Assuming no prior knowledge of the topic or philosophy it demystifies a controversial and extremely important topic in clear language It is ideal for anyone coming to the topic for the first time and for students in philosophy gender studies race theory disability theory and social and political philosophy *Indiana Social Studies*
