Ossian Herbert Lang

The Antimasonic Excitement:

History of the Abduction of William Morgan A. P. Bentley, 1874 **The Anti-Masonic Excitement (1827-1833).**
Ossian Herbert Lang, 1920 *The Anti-masonic Review, and Magazine*, 1828 The Anti-Masonic Excitement Albert
Gallatin Mackey, William R. Singleton, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its
age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is
culturally important we have made it available as part of our commitment for protecting preserving and promoting the world
s literature in affordable high quality modern editions that are true to the original work **History of the Abduction of
William Morgan, and the Anti-Masonic Excitement of 1826-30** A. P. Bentley, 2017-07-26 Excerpt from History of the
Abduction of William Morgan and the Anti Masonic Excitement of 1826 30 With Many Details and Incidents Never Before
Published IX December last the author of this little volume wrote for the free press At Mt Pleasant Iowa A sketch of the
History of the Abduction of William Morgan And the excitement which followed that occurrence Detailing some incidents and
facts which had never before been published These sketches were published in the issue of that paper of December 26th
1873 And the three succeeding num bers of January following The publishers anticipating a demmd for extra copies Issued
some two hundred surplus numbers to their regular editions but these were soon exhausted And so many orders came in
which they could not fill That it was proposed by them to issue the work in this form Being also urged by m my friends The
author has carefully reviewed the publication in the newspaper form Re writing it in amore full and complete m mner Adding
many details and incidents not appearing in the first publication And correcting all erroneous statements that would naturally
occur in a hastily penned newspaper article No one can more readily realize than I do that portions of this work may appear
stale to some readers As parts of it in substance have been in print for more than forty years And issued in various forms But
a new generation has arisen since the days when these events took place And many younger readers may never perhaps have
read them in a form in which the matter could be readily understood About the Publisher Forgotten Books publishes
hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an
important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the
original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a
blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The
Anti-masonic Review and Magazine* Henry Dana Ward, 1828 **The Anti-masonic Review** Henry Dana Ward, 1828 **A
Narrative of the Anti-Masonic Excitement, in the Western Part of the State of New-York, During the Years 1826,
1827, 1828, and a Part of 1829** Henry Brown, 183? **The Anti-Masonic Party in the United States** William Preston
Vaughn, 2021-10-21 Here for the first time in more than eighty years is a detailed study of political Antimasonry on the

national state and local levels based on a survey of existing sources The Antimasonic party whose avowed goal was the destruction of the Masonic Lodge and other secret societies was the first influential third party in the United States and introduced the device of the national presidential nominating convention in 1831 Vaughn focuses on the celebrated Morgan Affair of 1826 the alleged murder of a former Mason who exposed the fraternity s secrets Thurlow Weed quickly transformed the crusading spirit aroused by this incident into an anti Jackson party in New York From New York the party soon spread through the Northeast To achieve success the Antimasons in most states had to form alliances with the major parties thus becoming the flexible minority After William Wirt s defeat by Andrew Jackson in the election of 1832 the party waned Where it had been strong Antimasonry became a reform minded anti Clay faction of the new Whig party and helped to secure the presidential nominations of William Henry Harrison in 1836 and 1840 Vaughn concludes that although in many ways the Antimasonic Crusade was finally beneficial to the Masons it was not until the 1850s that the fraternity regained its strength and influence History of the Abduction of William Morgan, and the Anti-Masonic Excitement of 1826-30, With Many Details and Incidents Never Before Published A.
