Averkī (Archbishop of Jordanville)

The Apocalypse Of St John An Orthodox Commentary:

The Apocalypse of St. John Averkiū (Archbishop of Jordanville), 1985-01-01 **An Introduction to Reading the Apocalypse** Columba Graham Flegg, Graham Flegg, 1999 **The System of Antichrist** Charles Upton, 2005

The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context. Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers. The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism, Hinduism, Judaism, Christianity, Islam, Zoroastrianism and the Native American traditions. It also speculates upon the social, psychic and spiritual nature of that being known to Christianity, Judaism and Islam as the Antichrist, presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror. Finally, in tracing the roots of Antichrist in the fallen nature of man, the author sketches the particular quality of spirituality proper to apocalyptic times, the dangers it faces, the unique opportunities open to it. And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics. As he says, speaking of the angst that characterizes the modern world: "The specific medicine for the shock of despair is the deeper shock of meaning. Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet."

The Traditional Interpretation of the Apocalypse of St John in the Ethiopian Orthodox Church Roger W. Cowley, 2014-11-13

The aim of this study is to describe the traditional Biblical and patristic Amharic commentary material of the Ethiopian Orthodox Church and to present in translation a sufficient sample of the Amharic and also the Geez commentary material that its character can be clearly seen. Accordingly, the study is divided into three parts: a general introduction, an annotated translation of a Geez commentary, and an annotated translation of an Amharic commentary. The book chosen for parts II and III is the Apocalypse of John.

Exegesis and Hermeneutics in the Churches of the East Society of Biblical Literature. Meeting, 2009

Exegesis and Hermeneutics in the Churches of the East contains the proceedings of the Bible in the Eastern and Oriental Orthodox Traditions unit of the Society of Biblical Literature's SBL 2007 meeting in San Diego, California. Biblical professors and scholars from the Eastern and Oriental Orthodox traditions, the latter including Aramaic, Syriac, Armenian, Arabic, Georgian, and Coptic among others, gathered to engage in critical study of the role of the Bible in eastern Christianity past and present. The collection of articles in Exegesis and Hermeneutics in the Churches of the East examines the latest scholarly findings in the field of the utilization and interpretation of the Bible in the Christian communities in the East during the first five centuries of Christianity. They offer critical evaluations of the early church's hermeneutical and exegetical tools and methodologies.

HEAVEN Michael G. Maness, 2004-12-01

In heaven we shall know

everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21 22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God s promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost

The Mystery of God, the Final Episode Paul Winkler, 2016-01-26 In this eye opening commentary Paul Winkler unlocks the Scriptures to reveal the mystery of God and how it was fulfilled just as Jesus promised within one generation of Christs time on earth Winkler condenses intensely technical studies from around the world and across time to present an easy to read verse by verse discussion of the entire book of Revelation His masterful inclusion of Scriptures from both the Old and New Testaments will leave readers feeling confident instead of confused and able to apply kingdom promises to their lives today His work supports the preterist prophecy already fulfilled viewpoint If one gives an answer before he hears it is folly and shame The one who states his case first seems right until the other comes and examines him Proverbs 18 13 17 ESV

The Book of Revelation and its Eastern Commentators Thomas Schmidt, 2021-09-09 In this volume T C Schmidt offers a new perspective on the formation of the New Testament by examining it simply as a Greco Roman testament a legal document of great authority in the ancient world His work considers previously unexamined parallels between Greco Roman juristic standards and the authorization of Christianity s holy texts Recapitulating how Greco Roman testaments were created and certified he argues that the book of Revelation possessed many testamentary characteristics that were crucial for lending validity to the New Testament Even so Schmidt shows how Revelation fell out of favor amongst most Eastern Christian communities for over a thousand years until

commentators rehabilitated its status and reintegrated it into the New Testament Schmidt uncovers why so many Eastern churches neglected Revelation during this period and then draws from Greco Roman legal practice to describe how Eastern commentators successfully argued for Revelation's inclusion in the New Testaments of their Churches *The Glory of Kings*

Peter J. Leithart, John Barach, 2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan's friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions The Glory of Kings aims to bring Jordan's work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day
