The Armenians 2000 Years Of Art And Architecture:

The Armenians Adriano Alpagó Novello, 1995 **The Armenians** Razmik Panossian, 2006-05-27 The Armenians traces the evolution of Armenia and Armenian collective identity from its beginnings to the Armenian nationalist movement over Gharabagh in 1988 Applying theories of national identity formation and nationalism Razmik Panossian analyzes different elements of Armenian identity construction and argues that national identity is modern predominantly subjective and based on a political sense of belonging Yet he also acknowledges the crucial role of history art literature religious practice and commerce in preserving the national memory and shaping the cultural identity of the Armenian people Panossian explores a series of landmark events among them Armenians first attempts at liberation the Armenian renaissance of the nineteenth century the 1915 genocide of the Ottoman Armenians and Soviet occupation He shows how these influences led to a multilocal evolution of Armenian identity in various places in and outside of Armenia notably in diasporan communities from India to Venice Today these numerous identities contribute to deep divisions and tensions within the Armenian nation the most profound of which is the cultural divide between Armenians residing in their homeland and those who live in the United States Canada the Middle East and elsewhere Considering the diversity of this single nation Panossian questions the theoretical assumption that nationalism must be homogenizing Based on extensive research conducted in Armenia and the diaspora including interviews and translation of Armenian language sources The Armenians is an engaging history and an invaluable comparative study *History and Culture of the Armenians* Arthur Bayramyan, 2001 Architecture and Asceticism: Cultural interaction between Syria and Georgia in Late Antiquity Emma Loosley Leeming, 2018-06-12 In Architecture and Asceticism Loosley Leeming presents the first interdisciplinary exploration of Late Antique Syrian Georgian relations available in English The author takes an interdisciplinary approach and examines the question from archaeological art historical literary and theological viewpoints to try and explore the relationship as thoroughly as possible Taking the Georgian belief that Thirteen Syrian Fathers introduced monasticism to the country in the sixth century as a starting point this volume explores the evidence for trade cultural and religious relations between Syria and the Kingdom of Kartli what is now eastern Georgia between the fourth and seventh centuries CE It considers whether there is any evidence to support the medieval texts and tries to place this posited relationship within a wider regional context **Hmayeak Shems** Vahé Baladouni, John Gery, 2010-04-02 Hmayeak Shems A Poet of Pure Spirit presents the life and writings of Armenian poet Hmayeak Shems 1896-1952 The Armenian Genocide of 1915 devastated Shems who lost his family and home For eight years he wandered in exile his voice extinguished by anguish Yet from debilitating isolation Shems found a lyrical mastery of Armenian identity and modern spirit Incontrovertibly shaped by his people's tragic history Shems speaks simply yet profoundly Illuminated by his poetry this biography chronicles his travels encounters and thought to reveal a more compelling and complete portrait of Shems than previously known Cover portrait of Hmayeak Shems by Ashot Zorian The
