The Daring Caballero:

The Happiest Trails John Brooker, 2017-02-09 John Brooker writes in his Introduction B westerns have always been part of my life I decided to tour the US by Greyhound bus and try and track down some of my childhood heroes From that and subsequent trips Brooker began to write books magazine columns and even a TV series *Movie Memories* This book contains his interviews with the actors and other research on the B westerns Fully illustrated Within Our Gates Alan Gevinson, 1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Border Bandits* Camilla Fojas, 2009-06-03 The southern frontier is one of the most emotionally charged zones in the United States second only to its historical predecessor and partner the western frontier Though they span many genres border films share common themes trace the mood swings of public policy and shape our cultural agenda In this examination Camilla Fojas studies how major Hollywood films exploit the border between Mexico and the United States to tell a story about U S dominance in the American hemisphere She charts the shift from the mythos of the open western frontier to that of the embattled southern frontier by offering in depth analyses of particular border films from post World War II Westerns to drug trafficking films to contemporary Latino a cinema within their historical and political contexts Fojas argues that Hollywood border films do important social work by offering a cinematic space through which viewers can manage traumatic and undesirable histories and ultimately reaffirm core American values At the same time these border narratives delineate opposing values and ideas Latino border films offer a critical vantage onto these topics they challenge the presumptions of U S nationalism and subsequent cultural attitudes about immigrants and immigration and often critically reconstruct their Hollywood kin By analyzing films such as *Duel in the Sun* *The Wild Bunch* *El Norte* *The Border Traffic* and *Brokeback Mountain* Fojas demands that we reexamine the powerful mythology of the Hollywood borderlands This detailed scrutiny recognizes that these films are part of a national narrative comprised of many texts and symbols that create the myth of the United States as capital of the Americas Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965 Barry Monush, 2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its

subjects Contains over 1 000 photos The American Western A Complete Film Guide Terry Rowan,2012-11-18 A comprehensive film guide featuring films and television shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible *Motion Pictures From the Fabulous 1940's* Terry Rowan,2016-01-06 In Europe the war was already old but while feeding nickels into roadhouse jukeboxes the Presidential conventions where the biggest question would be whether That Man in the White House would shatter yet another precedent and run for a third term To many Americans there seemed little else worth worrying about As with all time periods the 1940s had a set of specific fads that were popular around the country Read this book and find out about the films of this decade and more *Latino American Cinema* Scott L.
