The Darling Jade:

The Darling Jade Peggy Nicholson, 1984 **Nightmare in Hostage Hills** Christina Mask, 2017-11-20 Sadly Christina's journey and her children's experience of being collateral damage is not atypical. Kudos for her strength and bravery in putting her story out there as a cautionary tale for others. Dr Susan Weitzman author *Not to People like Us* Hidden Abuse in Upscale Marriages Christina Mask's *Nightmare* is constructed around fragments from a life in agony as one woman attempts to escape abuse, retain her sanity and regain the custody of three children the family court and her husband have taken from her. It's all here the daily records over months then years the diary entries the self-blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more. These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear. But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters. Mask writes to intractable foes. Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it. As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything. Christina's book gives us faith that she is right. Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of *Coercive Control How Men Entrap Women in Personal Life* Oxford 2007 Barrie Sir John Alexander Hammerton, 1929 **Enterprise to Endeavour** Ian Dear, 1999 Extensively illustrated this fine tribute evokes an eventful decade in nautical history the fourth edition recounts restoration efforts and reports on the current revival of interest in these peerless crafts **A Lasting Harmony** Shelley Kassian, 2019-05-13 A country music star finds a lasting harmony in this second chance love story. Fired from her music contract due to drug and alcohol addiction Jade Carter relocates to Harmony to heal her wounds and rethink her ailing career. But when she checks in at the Thurston Hotel hoping for a second chance not everything is as it appears. Taking pity on the singer's dire situation General Manager Ben Thurston hires her but not in the way she expects. Jade is soon attracted to bartender Jason Knight but will her turbulent history and tenuous actions challenge a future with him. Jason left the corporate world behind to settle in the Rocky Mountains for a healthier lifestyle. When Jade Carter walks into his lounge and into his life a love at first sight type of chemistry ignites between them. But when they're photographed together in a compromising embrace local media attention forces them into a show of commitment. Is it just pretend. Or could it be more. Can Jason prove himself to be a knight in shining armor who provides the lasting harmony Jade needs. This is book 5 warm in the 12 book Thurston Hotel Series of sweet to warm stand alone contemporary romance novels connected by common settings characters and events Out Behind the Barn Jerry Bailey, 2007-07 This book is the humorous reminiscences of an
