The Day Is Waiting

Linda M. Smith

The Day Is Waiting:

Waiting on God Andrew Murray, 2012-01-01 Andrew Murray challenges believers to practice the art of waiting on God. In thirty-one chapters, he leads us in the school of being silent before God in complete trust and dependence. The lessons learned and the answers received through this act of faith build in us confidence in God and patience.

[The Prison of Time](#) Elisa Pezzotta, 2022-08-25 We are imprisoned in circadian rhythms as well as in our life reviews that follow chronological and causal links. For the majority of us, our lives are vectors directed toward aims that we strive to reach and delimited by our birth and death. Nevertheless, we can still experience fleeting moments during which we forget the past and the future as well as the very flow of time. During these intense emotions, we burst out laughing or crying or we scream with pleasure or we are mesmerized by a work of art or just by eyes staring at us. Similarly, when we watch a film, the screening time has a well-defined beginning and end, and screening and diegetic time and their relations together with narrative and stylistic techniques determine a time within the time of our life with its own rules and exceptions. Through the close analysis of Stanley Kubrick's, Adrian Lyne's, Michael Bay's, and Quentin Tarantino's oeuvres, this book discusses the overall dominating time of their films and the moments during which this ruling time is disrupted and we momentarily forget the run toward the diegetic future, suspense or the past, curiosity and surprise. It is in these very moments as well as in our own lives that the prison of time through which the film is constructed and that is constructed by the film itself crumbles, displaying our role as spectators, our deepest relations with the film.

Elijah - Women's Bible Study Participant Workbook Melissa Spoelstra, 2018-08-07 Go the distance in the life of faith. Life is like a rollercoaster. One day it seems that everything in life is good, and the next day it can feel like everything is falling apart. Then there are those in-between days when we're coasting along without much thought to the highs or lows. The prophet Elijah experienced this rollercoaster ride as well. One moment he was hiding out in the wilderness during a famine, being fed by the ravens, and the next he was on the mountaintop where God showed up in a powerful way with fire and then rain. Even Elijah grew weary.
