Evil in the Christian Fantasy of C.S. Lewis and J.K. Rowling Sarah Fiona Winters, 2024-10-29 Evil in the Christian Fantasy of C S Lewis and J K Rowling From the White Witch to the Dark Mark argues that The Chronicles of Narnia and Harry Potter series are essential reading for anyone committed to understanding the cultural constructions of evil in twentieth century Europe and the strategies of resistance available to different types of readers in response to those evils This book also suggests that while the construction of evil in both series can and should be approached through a secular lens it cannot be fully understood without a complementary understanding of religious transcendence Sarah Fiona Winters explores the tension between theological evil on the one hand and naturalist and politico historical representations of evil on the other and the tension within both the explicitly religious and the apparently secular between dualism the belief that good and evil

both exist and are locked in combat and the belief in orthodox Christianity that evil is nothing She examines the developments in theories about evil that arose from the experience of the Second World War particularly those of Hannah Arendt and Stanley Milgram in 1963 arguing that Lewis presented obedience as a strategy against evil because he wrote before their work while Rowling presents disobedience as a strategy against evil as she wrote after their work **The Blood Series, Books 4-6** Tamara Rose Blodgett, 2018-01-24 REIGN Julia's sworn enemies are safely sequestered in a prison of the fey and her forever mate has been chosen Not by blood but by a circumstance shaped from coincidence However it's not enough to save Julia and the others their fate by the hand of the Alaska den Whose reacquisition has come alarmingly full circle to capture them Tharell of the fey aligns with the Singers Were and remaining vampire to take back the one true Queen Only Julia can stop the interspecies wars and establish a truce of genetics that would free all the groups from extinction and conflict Can they rescue Julia and her allies before it's too late Will the Red Were's lineage prove to be the catalyst of victory against a corrupt pack that's grown too debauched by greed and power to be overcome ANGELIC Julia Caldwell lies in the middle of a battlefield dying of wounds inflicted by the newest enemy of the Singers the demonic When Fae Were and vampire collide in alliance against a common enemy other than one another the demonic brings turmoil beyond what any of the supernaturals can imagine After the genocide of the Singers of Region One they will be forced to move into hiding Jacqueline has redeemed herself and carries a progeny of importance and strength that the new enemy wants at all costs Who of the Fae can be trusted after Tharell's treachery will the rogue Were damage or assist the remaining Region One Singers Can the greatest secret of their blood save the Singers from extinction and close the wound the demonic has made in a world run by humans and ignorant of what lives among them Or will fate decide evil deserves to rule instead of good ENCHANTMENT Julia's spirit is crushed as she sits trapped in the Singer bunker while heaven knows what happens to her people in the evil hands of Praile Meanwhile the insidious demon's spore flourishes reeking havoc on what makes her angelic Now it's a waiting game until Julia and Scott are released from their forced protection into a potential second catastrophe Adi and Slash have fallen prey to the corrupt Were as Tramack doggedly seeks that which he does not deserve Can Tessa and Tahlia escape Will Lanarre royalty cage Tahlia or will Drek set her free Does Lazarus escape the depths of hell only to fail in his pursuit of the ultimate forbidden fruit
