The Destiny Of Kings:

The Destiny of Kings D. A. Grose, 2004-04-01 In this imaginary world where darkness looms around every corner a group of men must defend their borders against an unseen darkness There are armies massing in the north and all free peoples of Rotgoth must unite to defeat them There are great battles to be fought in this land Many noble warriors will fall and many new warriors will rise This is the tale that will end all other stories This war is the last of the Great Wars and will hopefully introduce a time of peace *The Destiny of Kings* being the first part of the *Kings and Angels Trilogy* takes you for the first time into the country of Rotgoth which is but one land in the massive world of Grandoria [Historical Anthropology of the Middle Ages](#) Aaron Gurevich, 1992-08 Aaron Gurevich has long been considered one of the world's leading medievalists and a pioneer in the field of historical anthropology This book brings together eleven of his most important essays many difficult to find and some never before available in English Gurevich's writing while informed by the history of mentalities as practiced by the French school of Le Goff and Duby reflects a broader view of European culture outside France He rejects reductionist concepts and operates with a total view of culture using a wide range of sources legal as well as ecclesiastical popular as well as learned oral and visual as well as literary This collection amply demonstrates this breadth of Gurevich's work and highlights his ability to synthesize historical anthropological and semiotic approaches to culture Especially valuable are pieces such as Gurevich's essay *Wealth and Gift Bestowal Among the Ancient Scandinavians* about the importance of gift exchange in the medieval world One of the first studies for this practice this classic essay has for years been unavailable Other pieces range from the deities and heroes of Germanic poetry to the image of the Beyond in the Middle Ages [The Lost Kingdom of Moyon \(Bujuur\)](#) Rev Dr Koningthung Ngoru Moyon, 2023-11-16 The book *The Lost Kingdom of Moyon Bujuur* Iruwng King Kuurkam Ngoruw Moyon *The People of Manipur* is not to produce a new history of Moyon Who were earlier known as Bujuur but rather to tell the true and authentic historical account of the Moyon people through the ages and centuries how their creator led them during their past lives It also deals concerning kingship and introduce the kingdom of God **Little Rock Catholic Study Bible** Catherine Upchurch, Irene Nowell, Ronald D. Daniel, R. J. Konczyk, 2022-08-01 Humanity is currently standing at the threshold of the Kingdom of God on earth promised by Jesus the Christ and brought to fruition through the Revelation of the second Advent of Messiah ben David Soon the winds of chastisement will blow fiercely across the land and all that was spoken by the Prophets of old will come to pass Civilization has become weighed down by the perversities of the human race Like a cancer prejudice greed self interests hatred and war have for too long spread its sores among the people dividing the human family and robbing the spiritual powers latent within Bent with despair the people of the world long for hope from under the corruption and unjust policies of those who have power and authority over them The people of the world are in need of the understanding of God's purpose for humankind as provided within His Covenant a Covenant given long ago unto Abraham The Covenant of God offers the reader a clear understandable and compelling look into the history of this Covenant It explains how this Covenant beginning with Abraham as a two part Covenant is fulfilled in our present age The hope for all humankind is our obedience to this Covenant of God and to Divine Law that in reality provides true freedom This essential fact for the peaceful co existence of all peoples and nations cannot be argued against by the philosopher politician or cleric

Authorizing an End Polaski, 2021-10-01 Breaking with common views on Jewish proto apocalyptic literature in a postmodern manner this work approaches one particular proto apocalyptic text Isaiah 24-27 the so called Isaiah Apocalypse intertextually This reading finds that the Isaiah Apocalypse redeploys and controls other texts helping secure the authority of those texts as well as its own vision of the end The first chapter surveys approaches to late Israelite prophecy and presents a new intertextual way of viewing this material The chapters that follow investigate the eternal covenant and its role in intertextual space Isaiah 25's construal of Israel's relationship to other nations the central role of the righteous in Isaiah 26 and Isaiah 27 which points towards the victory of YHWH's order over chaos Readers interested in the development of Jewish

apocalyptic literature the social arrangements of second Temple Judaism and postmodern treatments of biblical texts will find this volume useful

The Transjordanian Palimpsest Jeremy M. Hutton, 2009-06-02 This study analyzes several passages in the Former Prophets 2 Sam 19 12 44 2 Kgs 2 1 18 Judg 8 4 28 from a literary perspective and argues that the text presents Transjordan as liminal in Israel's history a place from which Israel's leaders return with inaugurated or renewed authority It then traces the redactional development of Samuel Kings that led to this literary symbolism and proposes a hypothesis of continual updating and combination of texts beginning early in Israel's monarchy and continuing until the final formation of the Deuteronomistic History Several source documents may be isolated including three narratives of Saul's rise two distinct histories of David's rise and a court history that was subsequently revised with pro Solomonic additions These texts had been combined already in a Prophetic Record during the 9th c B C E with A F Campbell which was received as an integrated unit by the Deuteronomistic Historian The symbolic geography of the Jordan River and Transjordan which even extends into the New Testament was therefore not the product of a deliberate theological formulation but rather the accidental by product of the contingency of textual redaction that had as its main goal the historical presentation of Israel's life in the land

Reading Revelation Gordon W. Campbell, 2022-01-01 The Book of Revelation can be read in various ways Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end time events it typically favours either going behind the text in search of a socio historical context of origin to which it might refer or else standing in front of the text and investigating the book's reception history or its present relevance and impact Comparatively little interpretative work has been undertaken inside the text exploring the mechanics of how Revelation works still less how its complex parts might fit together into a meaningful whole Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text world In *Reading Revelation A Thematic Approach* Campbell gives an innovative account of Revelation's sophisticated

thematic content Mindful of Revelation s narrative verve or its architecture en mouvement as Jacques Ellul once put it Campbell plots a series of thematic trajectories through the book On this reading parody and parallelism fundamentally shape the whole narrative As a first ever integrated account of Revelation s macro themes Reading Revelation makes an important contribution to Revelation scholarship In its light the book may justifiably be seen as the crowning achievement of the Scriptures
