Robinson, Robert W. Wall, 2006-02-15 Biblical scholar Robert Wall and pastoral leader Anthony Robinson here join forces to bring the Acts of the Apostles forward to our time as a resource for congregational renewal and transformation Featuring both careful exegetical study and exciting contemporary exposition the fifteen chapters of Called to Be Church each first interpret the text of Acts as Scripture and then engage Acts for today's church The book dives into many of the most vexing issues faced by the church then and now such issues as conflict resolution pluralism and multiculturalism sexuality money church and state the role of the Holy Spirit and more Enhanced by study questions at the end of each chapter Called to Be Church will lend itself especially well to small group study within congregations Pastors lay readers students and ordinary believers alike will find the book helpful and inspiring Hinds' Precedents of the House of Representatives of the United States Asher Crosby Hinds, 1935 The Clerk's Manual of Rules, Statutes, Procedures and Precedents Applicable to the Ordinary Business of the Legislature of the State of New York New York (State). Legislature, 1865 *The Message of Acts in Codex Bezae* Josep Rius-Camps, Jenny Read-Heimerdinger, 2004-04-27 His book is a comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text represented by Codex Vaticanus For each section of Acts there is a side by side translation of the Bezan and Alexandrian manuscripts followed by a critical apparatus and finally a commentary that explores the differences in the message of the two texts It is concluded that the Bezan text with its interest in internal Jewish affairs and its focus on the struggles of the early disciples to free themselves from their traditional Jewish expectations and to achieve despite their mistakes a more accurate understanding of their master's teaching is the earlier of the two texts *A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers* Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It's often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don't have to deal with the problems it might entail This might be an easier approach but it's not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place
