The Ancestral Roof Marion Macrae,Anthony Adamson,1963 **The Ancestral Roof** Marion MacRae,Anthony Adamson,1964 The Ancestral Roof. Domestic Architecture of Upper Canada. By M. Macrae in ... Consultation with ... Anthony Adamson, who ... Made the Drawings. Photographs ... by Page Toles. (Reprinted.). Marion MACRAE,Anthony ADAMSON,1964 *The ancestral roof* ,1963 **The Ancestral Roof; Domestic Architecture of Upper Canada, by Marion Macrae in Constant Consultation With, and Sometimes in Spite of Anthony Adamson, WHO Wrote the First Word and the Last Word and Made the Drawings. Photos. Are by Page Toles** Marion Macrae,1963 **The ancestral roof** Marion MacRae,Anthony Adamson,Page Toles,1963 Looking for Old Ontario Thomas F. McIlwraith,1997-01-01 The slogan on Ontario s licence plates Yours to Discover was designed to promote travel opportunities within the province Every year thousands of tourists drive along country roads past farmyards and through hamlets en route to popular vacation spots In *Looking for Old Ontario* Thomas McIlwraith shows that many destinations are closer at hand than one might imagine and invites travellers to rediscover familiar countryside landmarks by reading them as chapters in a rich historical narrative Surveyors long ago scored Ontario s land and generations have since inscribed it with residences businesses and institutions This book the result of thirty years of field work and archival research is a reflection on and an interpretation of the ways in which the land and its inhabitants interrelate *Looking for Old Ontario* guides readers through the vernacular landscape of the province examining barns fences jails post offices inns mills canals railways roadsides cemeteries and much more McIlwraith emphasizes ordinary features of the cultural landscape which communicate social meaning to the observant eye The landscape tells us that Ontario has been inhabited by thrifty people this we can conclude by looking at the economical use and reuse of construction materials Yet the landscape also tells us that Ontario s residents have been inclined to show off consider the province s unusually large number of elegant brick dwellings To read a landscape is to think about such connections and McIlwraith s contemplative style differentiates his work from manuals or handbooks Since landscape interpretation is a highly visual subject *Looking for Old Ontario* is extensively illustrated with photographs drawings and maps It will be useful to general readers interested in recognizing the broader meanings of their communities heritage as well as to students of geography history and planning **A Gentlewoman in Upper Canada** Anne Langton,2008-01-01 First published in 1950 *A Gentlewoman in Upper Canada* is a classic work of early pioneering literature This new significantly expanded edition includes many of Langton s original illustrations and reveals Langton s views on writing art and women s social and familial roles in nineteenth century Europe and Canada *Canadian Reference Sources* Mary E. Bond,Martine M. Caron,1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre

type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Canadian Architectural Styles Don Mikel, 2025-10-07 Featuring over 1 100 photographs this guide identifies more than 40 important architectural styles in Canada ranging from the nineteenth century Georgian Gothic Revival and Italianate buildings to twentieth and twenty first century Art Deco Mid Century Modern Brutalist and Neo Expressionism The examples are drawn from all across Canada rural small town and urban Meticulously researched and extensively illustrated the book includes heritage homes cottages churches schools and buildings of government and commerce Each chapter provides an introduction to the style followed by carefully selected representative examples from across the country An index to buildings by town or region enables readers to identify and appreciate architectural styles in every part of Canada The result of more than a decade of research and photography this is the first comprehensive field guide to Canadian architectural styles
