Spooner, 1919 **American journal of urology and sexology**, 1919 **The Journal of Abnormal and Social Psychology**, 1927 **The American Journal of Religious Psychology and Education**, 1911 The American Journal of Religious Psychology and Education Granville Stanley Hall, 1911 *Indianapolis Medical Journal*, 1923 **Journal of Religious Psychology, Including Its Anthropological and Sociological Aspects**, 1910 Includes section Book reviews

American Journal of Religious Psychology and Education Granville Stanley Hall, Alexander Francis Chamberlain, 1909 Includes section Book reviews **Michael Fordham** James Astor, 1995 Michael Fordham's immense contribution to analytical psychology has been marked by its combination of practical and theoretical genius. Before retirement he ran a full clinical practice alongside the co-editorship of *The Collected Works of Jung*, development of the Society of Analytical Psychology and its child and adult trainings and a fifteen year editorship of the *Journal of Analytical Psychology*. In his published work there has emerged a consistent and original contribution to Jungian thought particularly in relation to the processes of individuation on childhood and the links between analytical psychology and the work of the Kleinians. James Astor takes a critical and informed look at Fordham's work and ideas. Illustrating theory with examples drawn from clinical practice the book will provide a useful amplification of Fordham's own work for students of analytical psychology and a sound introduction to it for analysts interested in understanding the connections between post Jungian and post Kleinian thought.
