The Dead Are Discreet:

The Dead Are Discrete Arthur Lyons, 1983 A journalist's inquiry into the sacrificial death of a young woman leads him to Los Angeles and encounters with Satanists, Jesus people and the wealthy **The Ransom of the Soul** Peter Brown, 2015-04-14 A Choice Outstanding Academic Title of the Year A Tablet Book of the Year Marking a departure in our understanding of Christian views of the afterlife from 250 to 650 CE *The Ransom of the Soul* explores a revolutionary shift in thinking about the fate of the soul that occurred around the time of Rome's fall. Peter Brown describes how this shift transformed the Church's institutional relationship to money and set the stage for its domination of medieval society in the West. An extraordinary new book. Prodigiously original and astonishing performance for a historian who has already been so prolific and influential. Peter Brown's subtle and incisive tracking of the role of money in Christian attitudes toward the afterlife not only breaks down traditional geographical and chronological boundaries across more than four centuries. It provides wholly new perspectives on Christianity itself, its evolution and above all its discontinuities. It demonstrates why the Middle Ages when they finally arrived were so very different from late antiquity. G. W. Bowersock, *New York Review of Books*. Peter Brown's explorations of the mindsets of late antiquity have been educating us for nearly half a century. Brown shows brilliantly in this book how the future life of Christians beyond the grave was influenced in particular by money. A. N. Wilson, *The Spectator*. *Dark Places and Little Tramps* Juri Nummelin, 2025-05-15 *Dark Places and Little Tramps* collects Juri Nummelin's writings on noir, hardboiled sleaze and other literary genres of yesteryear. The author has written extensively about genre fiction and popular culture for more than four decades, but this new volume is the first publication of his writings in English. Among many other subjects, it features a lengthy section on neo noir and writers like Gillian Flynn. Allan Guthrie, Jason Starr and Duane Swierczynski. He also investigates British spy and crime fiction and includes chapters on western and horror. Nummelin shines new light on many of these areas, such as the largely forgotten topic of sleaze paperbacks.

Formations of Belief Philip Nord, Katja Guenther, Max Weiss, 2019-09-17 For decades, scholars and public intellectuals have been predicting the demise of religion in the face of secularization. Yet religion is undergoing an unprecedented resurgence in modern life, and secularization no longer appears so inevitable. *Formations of Belief* brings together many of today's leading historians to shed critical light on secularism's origins, its present crisis, and whether it is as antithetical to religion as it is so often made out to be. *Formations of Belief* offers a more nuanced understanding of the origins of secularist thought, demonstrating how Reformed Christianity and the Enlightenment were not the sole vessels of a worldview based on rationalism and individual autonomy. Taking readers from late antiquity to the contemporary era, the contributors show how secularism itself can be a form of belief, and yet how its crisis today has been brought on by its apparent incapacity to satisfy people's spiritual needs. They explore the rise of the humanistic study of religion in Europe, Jewish messianism, atheism, and last rites in the Soviet Union, the cult of the saints in colonial Mexico, religious minorities, and Islamic identity in Pakistan, the
