The Defended Border:

Defending the Border Mathijs Pelkmans, 2011-05-16 This book one of the first in English about everyday life in the Republic of Georgia describes how people construct identity in a rapidly changing border region Based on extensive ethnographic research it illuminates the myriad ways residents of the Caucasus have rethought who they are since the collapse of the Soviet Union Through an exploration of three towns in the southwest corner of Georgia all of which are situated close to the Turkish frontier Mathijs Pelkmans shows how social and cultural boundaries took on greater importance in the years of transition when such divisions were expected to vanish By tracing the fears longings and disillusionment that border dwellers projected on the Iron Curtain Pelkmans demonstrates how elements of culture formed along and in response to territorial divisions and how these elements became crucial in attempts to rethink the border after its physical rigidities dissolved in the 1990s The new boundary drawing activities had the effect of grounding and reinforcing Soviet constructions of identity even though they were part of the process of overcoming and dismissing the past Ultimately Pelkmans finds that the opening of the border paradoxically inspired a newfound appreciation for the previously despised Iron Curtain as something that had provided protection and was still worth defending *Defend the Border and Save Lives* Tom Homan, 2020-03-31 Former ICE Director Tom Homan has been at the forefront of the conservative fight to secure our borders and offers proof that illegal immigration is not a victimless crime Illegal immigration is the most controversial and emotional issue this country faces today President Trump was elected on his promise to fix illegal immigration and build a wall on our southern border Because he won on this issue the Democrats refuse to work with him and we experienced a government shutdown as a result of this divide The Democrats have supported funding in the past and in his State of the Union the President said that he wants to unify and work together to resolve this and all the other challenges facing America The Democrats sat on their hands They won't budge Clearly as a party they don't care about the facts only about denying whatever success they can to this president Former ICE Director and Fox News contributor Tom Homan knows the facts He's spent his life on the border and knows that if we don't control illegal immigration now this country will continue to suffer the consequences of crime drugs and financial strain and it will get much much worse In *Defend the Border and Save Lives* Homan shares what illegal immigration is really about Illegal immigration should not be a partisan issue Now is the time to fix this issue that has claimed so many victims and divided this country We need to pull the curtain back and expose what truly happens and separate facts from fiction Illegal immigration is not a victimless crime and the victims are the illegals and their innocent children as well as the Americans who suffer at the hand of the criminals who sneak into this country *The Defended Border* Morris Zaslow, 1964 The Iroquois in the War of 1812 Carl Benn, 1998-01-01 Describes how the Six Nations got involved in the War of 1812 the role they played in the defense of Canada and the war's effects on their society *The Lion, the Eagle, and Upper Canada* Elizabeth Jane Errington, 1987 It has generally been assumed that the political

and social ideas of early Upper Canadians rested firmly on veneration of eighteenth century British conservative values and unequivocal rejection of all things American Jane Errington s examination of the attitudes and beliefs of the Upper Canadian elite between 1784 and 1828 as seen through their private papers public records and the newspapers of the time suggests that this view is far too simplistic Lion, The Eagle, and Upper Canada, Second Edition Elizabeth Jane Errington,2012 How an early Canadian identity came to be **Society and Culture in the Ancient World** Mr. Rohit Manglik,2024-03-23 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels *Manual of Military Law* Great Britain. War Office,1939 **For Honour's Sake** Mark Zuehlke,2010-07-23 In the tradition of Margaret MacMillan s Paris 1919 comes a new consideration of Canada s most famous war and the Treaty of Ghent that unsatisfactorily concluded it from one of this country s premier military historians In the Canadian imagination the War of 1812 looms large It was a war in which British and Indian troops prevailed in almost all of the battles in which the Americans were unable to hold any of the land they fought for in which a young woman named Laura Secord raced over the Niagara peninsula to warn of American plans for attack though how she knew has never been discovered and in which Canadian troops burned down the White House Competing American claims insist to this day that in fact it was they who were triumphant But where does the truth lie Somewhere in the middle as is revealed in this major new reconsideration from one of Canada s master historians Drawing on never before seen archival material Zuehlke paints a vibrant picture of the war s major battles vividly re creating life in the trenches the horrifying day to day manoeuvring on land and sea and the dramatic negotiations in the Flemish city of Ghent that brought the war to an unsatisfactory end for both sides By focusing on the fraught dispute in which British and American diplomats quarrelled as much amongst themselves as with their adversaries Zuehlke conjures the compromises and backroom deals that yielded conventions resonating in relations between the United States and Canada to this very day *Problems of the War* ,1916
