The Crafting of the Postwar Peace Treaty with Japan, 1945-1951 Seung Mo Kang, 2024-11-20 This book examines how the Treaty of Peace with Japan a momentous agreement that delineated postwar order in the Pacific was negotiated between Japan and 48 other nations in 1951 Even though the treaty was created to legally end the state of war between Japan and its Pacific War enemies many other considerations some of which had hardly anything to do with the Pacific War were involved The US Soviet rivalry was the most representative but this was not the only factor For instance the decision to invite Cambodia Laos and Vietnam as signatories was determined based on French colonial interests Indochinese yearning for independence and the need for French contribution in the North Atlantic Treaty Organization Similarly German reparations settlements after the First and Second World Wars impacted Japanese reparations settlement Meanwhile the commercial terms of the treaty were informed by the Great Depression and its legacies This book addresses these aspects of the peace treaty that are hitherto not sufficiently elaborated upon in existing studies Highlighting the importance of the treaty for shaping postwar East Asia and international relations in the region to the present day this book will be a valuable resource for students and scholars of post war Japan International relations and the Cold War

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more

about Japan *The United States between China and Japan* Caroline Rose, Victor Teo, 2014-07-24 From its insistence that Japan should favour diplomatic normalization with the Republic of China over the People's Republic of China in 1952 through its role via the Security Treaty of keeping the cap in the bottle of Japanese militarism to weighing in on the Diaoyu Senkaku islands dispute between China and Japan the United States has played a pivotal and at times controversial role in the development of China Japan relations since the end of World War II By extension US influence on China Taiwan and Taiwan Japan relations in addition to its impact on the efforts of various actors to construct a Northeast Asian regional community continues to pose important questions about the nature of the US role in East Asia in the 21st century This volume provides a multi faceted overview of the nature of America's interaction in East Asia since the end of the war and highlights the obstacles to improved bilateral and regional integration The contributors offer a range of perspectives from their respective US European and East Asian vantage points and point to the ongoing and prominent involvement of the US in the region for the foreseeable future

Sino-Japanese Relations in a Trilateral Context Yun Zhang, 2016-11-24 This book explains the increasingly turbulent Sino Japanese relations since the 2000s by innovatively investigating the formation mechanism of mutual misperception deeply rooted in China Japan U S trilateral structural dynamics The political and security relationship has been increasingly deteriorating against the high interdependency between the world's second and third largest economies More ironically both sides have also shown the intent and made efforts to improve bilateral ties The author systematically conducts a focused comparison of the evolution of the Sino Japanese mutual perceptions and policies toward one another during the past decade and a half Empirically Yun Zhang closely examines five case studies that provide insights to IR students and scholars and policy makers on how misperception and mistrust have formed replicated and intensified

Power Shift David Shambaugh, 2006-01-17 The dynamics of international relations in Asia are undergoing broad and fundamental changes that are reverberating around the world Primary among the catalysts of change in the region is the rise of China as the engine of regional economic growth as a major military power as a significant voice in regional diplomacy and as a proactive power in multilateral institutions With in depth assessments by seventeen of the world's leading experts on China's foreign relations this groundbreaking volume offers the most timely up to date and comprehensive analysis of China's emerging influence on international relations in Asia The contributors explore the various dimensions of China's rise its influence on the region the consequences for the United States and alternative models of the evolving Asian order What emerges is a clear picture of China increasingly at the center of the regional web while North Korean and Taiwan could erupt in conflict the predominant trend in Asia is the creation of an extensive web of mutual interdependence among states and non state actors Providing the best overview we currently have of the changing political balance on the Asian continent this accessible volume will be essential reading for anyone concerned with contemporary Asian affairs

and Regional Leadership in East Asia Christopher M. Dent,2010-01-01 China Japan and Regional Leadership in East Asia is a compilation which provides a necessary and welcome update to the Asian regionalism debates of the last decade bringing together notable experts in Asian area studies and comparative foreign policy to provide many new insights essential reading both for practitioners of Asian studies and those concerned with the role of comparative regionalism in modern international relations Marc Lanteigne East Asia An International Quarterly this book is strongly recommended reading for everyone interested in Japan China relations leadership and East Asia It proves that looking at complex issues from a variety of angles does bring a much deeper understanding I thoroughly enjoyed it Marie S derberg Journal of Japanese Studies This book addresses one of the most intriguing but also under researched issues of the future of the Asian strategic landscape who will lead the region and replace US leadership Japan and China and what kind of leadership do we have to expect The authors come to the conclusion that it is a matrix or combination of leadership options rather than a single leadership type depending on issue domains governance structure and geospatial scales The conclusions by Christopher Dent admirably draw the theoretical and empirical issues together Reinhard Drifte Pacific Affairs This book considers themes evidence and ideas relating to the prospects for regional leadership in East Asia with particular reference to China and Japan assuming regional leader actor roles Key issues discussed by the list of distinguished contributors include the extent to which there is an East Asian region to lead China Japan relations different aspects of Japan and China s positions in the East Asia region how the seemingly inexorable rise of China is being addressed within the region how China and Japan have explored paths of regional leadership through certain regional and multilateral organisations and frameworks the position of certain intermediary powers i e the United States and Korea with regards to regional leadership diplomacy in East Asia Invaluably the concluding chapter brings together the main findings of the book and presents new analytical approaches for studying the nature of and prospects for leadership in East Asia China Japan and Regional Leadership in East Asia will be essential reading for upper level undergraduate and postgraduate students and researchers of international relations regional studies international political economy and economics as well as Asian and development studies Japan-China Relations in the Modern Era

Ryosei Kokubun,Yoshihide Soeya,Akio Takahara,Shin Kawashima,2017-03-31 From before the dawn of recorded history there

has been a rich flow of interaction between Japan and China Japan has long learned many things from Chinese civilization and since the modern era China began to learn from Japan In the twenty first century however China surpassed Japan in terms of GDP in 2010 to become the world s second largest economy Amid this rapid rise of China and what has been called a power shift in Japan China relations there are signs that bilateral tensions are rising and that the image each country has of the other is worsening This volume provides a cogent analysis of the politics of the bilateral relationship in the modern era explaining the past present and future of Japan China relations during a time of massive political social and economic changes Written by a team of internationally renowned Japanese scholars and based on sources not available in English this book is essential reading for students and scholars of Japan China relations Japanese international relations and the politics and international relations of East Asia *Korea in the New Asia* Francoise Nicolas,2007-06-07 This book analyzes to what extent and how South Korea may contribute to and take advantage of the new regional configuration in East Asia which is dominated by the rise of China *Challenges to Chinese Foreign Policy* Yufan Hao,C.X. George Wei,Lowell Dittmer,2021-12-15 When Beijing hosted the 2008 Summer Olympics China symbolically asserted its role as an emerging world power a position it is not likely to relinquish anytime soon China s growing economy military reforms and staggering productivity have contributed to its ascendancy as a major player in international affairs Western scholars have attempted to explain Chinese foreign policy using historical or theoretical evidence but until this volume few studies from a Chinese perspective have been published in English In *Challenges to Chinese Foreign Policy* Diplomacy Globalization and the Next World Power editors Yufan Hao C X George Wei and Lowell Dittmer reveal how Chinese scholars view their nation s rise to global dominance Drawing from a wealth of foreign relations experts including scholars native to the region this volume examines the unique challenges China faces as it adapts in its role as a world leader and it analyzes how China s evolving international relationships are shaping the global landscape of the twenty first century **Asian Yearbook of International Law, Volume 26 (2020)** ,2023-01-23 Launched in 1991 the Asian Yearbook of International Law is a major internationally refereed yearbook dedicated to international legal issues as seen primarily from an Asian perspective It is published under the auspices of the Foundation for the Development of International Law in Asia DILA in collaboration with DILA Korea the Secretariat of DILA in South Korea When it was launched the Yearbook was the first publication of its kind edited by a team of leading international law scholars from across Asia It provides a forum for the publication of articles in the field of international law and other Asian international legal topics The objectives of the Yearbook are two fold First to promote research study and writing in the field of international law in Asia and second to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues Each volume of the Yearbook contains articles and shorter notes a section on Asian state practice an overview of the Asian states participation in multilateral treaties and succinct analysis of recent international legal developments in Asia a bibliography that provides

information on books articles notes and other materials dealing with international law in Asia as well as book reviews This publication is important for anyone working on international law and international relations

China-Japan Relations in the Twenty-first Century Michael Heazle,Nick Knight,2007-01-01 This book examines the often troubled relationship between Japan and China from a broad interdisciplinary perspective Utilising the expertise of Chinese Japanese and regional specialists working in a variety of fields this original work approaches the contemporary sources of tensions between these two Asian giants from several levels of analysis In particular the domestic state interface in both countries and the important role of historical perceptions in the region are explored

Middle Kingdom and Empire of the Rising Sun June Teufel Dreyer,2016-06-02 Japan and China have been rivals for more than a millennium In more recent times China was the more powerful until the late nineteenth century while Japan took the upper hand in the twentieth Now China s resurgence has emboldened it even as Japan perceives itself falling behind exacerbating long standing historical frictions June Teufel Dreyer s *Middle Kingdom and Empire of the Rising Sun* provides a highly accessible overview of one of the world s great civilizational rivalries that ranges from the seventh century to the present Beginning in the mid nineteenth century the shrinking distances afforded by advances in technology and the intrusion of Western powers brought the two into closer proximity in ways that alternately united and divided them In the aftermath of multiple wars between them including a long and brutal conflict in World War II Japan developed into an economic power but rejected militarism China s journey toward modernization was hindered by ideological and leadership struggles that lasted until the death of Mao Zedong in 1976 The final part focuses on the issues that dominate China and Japan s current relationship economic rivalry memories of World War II resurgent nationalism military tensions Taiwan the Diaoyu Senkaku Islands and globalization Dreyer argues that recent disputes should be seen as manifestations of embedded rivalries rather than as issues whose resolution would provide a lasting solution to deep standing disputes For the paperback edition she has added a new afterword that takes readers up to the present day

Emerging China Sudhir T. Devare,Swaran Singh,Reena Marwah,2014-03-21 This volume seeks to examine the evolving contours of Asian multilateralism through emerging China and how it is likely to impact on the growth trajectories of Asian countries From this perspective it explores the prospects for partnership in Asia especially in terms of China s engagement with its principal Asian neighbours especially India A substantial part of the volume is devoted to debating China India relations highlighting their mutual stakes through their economic and security cooperation as well as their engagement with other countries and regional forums The book furthers the understanding of the rise of China from an Indian perspective while simultaneously locating China s rise in the economic dynamics of an emerging Asia The volume offers illuminating viewpoints analyses and insights from multiple perspectives mixed with academic rigour and up to date information It will be of interest to those engaged in economics politics trade relations Indo China relations foreign policy area studies public policy and strategic studies
