Congress. House. Committee on the Budget,1990      **Under the Hood** Stan Slap,2024-10-29 You can't sell it outside if you can't sell it inside You want maximum business performance Look under the hood and you'll find your employee culture it is the power that drives the enterprise engine To harness that rumbling power you've got to solve the mystery of what an employee culture actually is how it operates and how to move it forward These are the keys that this book will put right in your hands Renowned business culture expert Stan Slap knows the difference between understanding your employees and understanding your employee culture The distinction isn't semantics it's the key to whether your strategies will succeed or fail This myth busting book reveals why an employee culture is an independent organism with its own rules beliefs and motivations and the power to make or break any management plan and any manager right along with it Slap shows you how to get whatever you want from your employee culture whether it's improved accountability innovation flexibility resilience energy loyalty or trust Along the way he solves mysteries that have puzzled managers since the first Mesopotamian farmer hired some help including Why does an employee culture really resist change What does it care about more than money Why does it respond to leadership differently than to management How does it talk to itself and what does it mean when it won't talk to you Why are company values the most dangerous threat to gaining its trust If you have a wonderful employee culture this book will help you scale it If you have a troubled employee culture this book will help you fix it If you have an employee culture under pressure this book will help you ease it If you have a new employee culture this book will help you shape it And if you are investing in a company this book will help you protect your greatest purchasable asset Under the Hood is informed by immaculate research including surveys of more than 15 000 employees from companies the world over It's packed with original tactics that have driven performance for many organizations and countless managers And it includes jaw dropping inside stories of employee cultures from the likes of Samsung Oracle Progressive CNN during wartime Paul McCartney's band and the Super Bowl film crew It's all delivered in classic Stan Slap style profound and

provocative heartfelt and often hysterical This is not simply a management book it is the business case for humanity Management advice doesn't get realer or more important than this

**Small is Still Beautiful** Joseph Pearce, 2023-10-17 A third of a century ago E F Schumacher rang out a timely warning against the idolatry of giantism with his book *Small Is Beautiful* Schumacher a highly respected economist and adviser to third world governments broke ranks with the accepted wisdom of his peers to warn of impending calamity if rampant consumerism technological dynamism and economic expansionism were not checked by human and environmental considerations Joseph Pearce revisits Schumacher's arguments and examines the multifarious ways in which Schumacher's ideas themselves still matter Faced though we are with fearful new technological possibilities and the continued centralization of power in large governmental and economic structures there is still the possibility of pursuing a saner and more sustainable vision for humanity Bigger is not always best Pearce reminds us and small is still beautiful Humanity was lurching blindly in the wrong direction argued Schumacher Its obsessive pursuit of wealth would not as so many believed ultimately lead to utopia but more probably to catastrophe Schumacher's greatest achievement was the fusion of ancient wisdom and modern economics in a language that encapsulated contemporary doubts and fears about the industrialized world The wisdom of the ages the perennial truths that have guided humanity throughout its history serves as a constant reminder to each new generation of the limits to human ambition But if this wisdom is a warning it is also a battle cry Schumacher saw that we needed to relearn the beauty of smallness of human scale technology and environments

*Man of the New Millennium* Gregory Dark, 2010-09-16 *Man of the New Millennium* is a book for us the millions of people who want to see the end of mancruel and the start of mankind and the probably billion or so of us in this world exasperated and disenchanted by worn out templates trying to find new ones Wrapped in the most gentle of narratives *Man of the New Millennium* leads us through the maze of history's travesties and today's duplicities to a future with a future to a future whose potential is our potential our potential as a species and that potential special to all of us individually *Man of the New Millennium* is a search for us in an age of me it is a text for humanity in fictional dress it is a book which changes hope from an ill defined aspiration to a realisable ambition It is a book of today which guarantees a quality tomorrow *Man of the New Millennium* is the third book of the trilogy which also comprises *The Prophet of the New Millennium* and *God of the New Millennium*

**The Inevitable War: The Myth Book 3** Grant Ayers, 2025-03-27 Life has been hard and cruel for Grim After the brutal death of his parents in a house fire he is forced to live with his abusive uncle and attend the School for the Wicked But Grim's unnatural strength intelligence and prowess make him king or the Businessman for the brutal killing games held within the school walls Now Grim seems to have at least some semblance of normal until Death himself walks in Grim stands on the precipice between accepting his destiny as Death of the Four Horseman of the Apocalypse and stopping Armageddon or running away from it all About the author At just twenty one years old Grant Ayers discovered a passion for writing at the age of fifteen and achieved official publication by seventeen Writing

has evolved into an epic pursuit for Ayers over the years The inspiration for The Inevitable War series began when they were twelve crafting intricate plotlines with LEGO bricks alongside their brother Jessy and younger brother Owen This unwitting collaboration played a pivotal role in shaping the entire series a tale born from playful creativity and strong familial bonds

Professor Stewart's Cabinet of Mathematical Curiosities Ian Stewart, 2010-09-03 School maths is not the interesting part The real fun is elsewhere Like a magpie Ian Stewart has collected the most enlightening entertaining and vexing curiosities of maths over the years Now the private collection is displayed in his cabinet There are some hidden gems of logic geometry and probability like how to extract a cherry from a cocktail glass harder than you think a pop up dodecahedron the real reason why you can't divide anything by zero and some tips for making money by proving the obvious Scattered among these are keys to unlocking the mysteries of Fermat's last theorem the Poincaré Conjecture chaos theory and the P NP problem for which a million dollar prize is on offer There are beguiling secrets about familiar names like Pythagoras or prime numbers as well as anecdotes

about great mathematicians Pull out the drawers of the Professor s cabinet and who knows what could happen *The Ursuline Manual Or A Collection of Prayers, Spiritual Exercises,&c., Interspersed with the Various Instructions Necessary for Forming Youth to the Practice of Solid Piety, Arranged for the Young Ladies Educated at the Ursuline Convent, Cork ... Fourth Edition, Revised and Enlarged. Stereotyped* URSULINE MANUAL.,1841 The Consuming Instinct Gad Saad,2011-06-21 For anyone interested in the biological basis of human behavior or simply in what makes consumers tick marketing professionals advertisers psychology mavens and consumers themselves this is a fascinating read What do all successful fast food restaurants have in common Why are women more likely to become compulsive shoppers and men more likely to become addicted to pornography How does the fashion industry play on our innate need to belong Why do men s testosterone levels rise when they drive a Ferrari or a Porsche The answer to all of these intriguing questions is the consuming instinct the underlying evolutionary basis for most of our consumer behavior In this highly informative and entertaining book the founder of the vibrant new field of evolutionary consumption illuminates the relevance of our biological heritage to our daily lives as consumers While culture is important the author shows that innate evolutionary forces deeply influence the foods we eat the gifts we offer the cosmetics and clothing styles we choose to make ourselves more attractive to potential mates and even the cultural products that stimulate our imaginations such as art music and religion This book demonstrates that most acts of consumption can be mapped onto four key Darwinian drives namely survival we prefer foods high in calories reproduction we use products as sexual signals kin selection we naturally exchange gifts with family members and reciprocal altruism we enjoy offering gifts to close friends The author further highlights the analogous behaviors that exist between human consumers and a wide range of animals **Straight Science? Homosexuality, Evolution and Adaptation** Jim McKnight,2003-09-02 A genetic basis for homosexuality has been all but proved yet Darwinism the most widely accepted evolutionary theory emphasises successful reproduction How do we explain a lifetime preference for non reproductive sex Whilst social constructionism offers explanations in terms of social learning and cultural preferences the body of evidence for a genetic predisposition to homosexuality grows Social learning argues that homosexual sex is merely misdirected and therefore futile but far from dying out it continues through the ages and is found in different cultures What if there was an evolutionary advantage to homosexuality Straight Science Homosexuality Evolution and Adaptation dares to ask such questions **The Ursuline manual; or, A collection of prayers, spiritual exercises, &c** Ursuline manual,1830 The Pall Mall Magazine ,1913 How Safe Is Your Soul? Brother Boy Deiparine,2011-12-20 How Safe Is Your Soul will help you know and understand that our greatest purpose in this life is to answer the calling of God to be like Him Be holy and be perfect for God is Nobody is perfect is a deceitful cliché and a pathetic excuse discouraging many not to respond to this glorious calling to become God in God Wide indeed is the path to perdition because of our diminishing desire to become a saint Narrow is the way to God and heaven because many have their own priority and personal agenda

contrarious to Gods This book is for everyone reminding us that we have a greater purpose more than our own The SOS Missionaries is inviting you to join us in the mission of serving and saving souls We have a formation program suited for everyone who desire to participate in the mission of the church saving all souls [If You're So Smart, Why Aren't You Happy?](#) Raj Raghunathan, 2016-04-26 The first book by the creator of COURSERA s most popular online course in 2015 A Life of Happiness and Fulfillment Could the same traits that drive your career success also be keeping you from being happier Fifteen years after getting his MBA Raj Raghunathan spent some time with his old classmates He noticed that though they d all done well there didn t appear to be much correlation between their academic success and career success What Raj found even more curious was the even smaller correlation between career success and what he calls life success The greater the career success the more unhappy out of shape harried and distracted his friends were If intelligence helps with decision making smart people should naturally make better life choices So why are so many of the smartest brightest most successful people profoundly unhappy Raj set out to find an answer to this problem and extensively researched happiness not just of students and business people but also stay at home parents lawyers and artists among others If You re So Smart Why Aren t You Happy takes readers on a fun and meaningful tour of the best research available on how some of the very determinants of success may also come to deflate happiness Raghunathan explores the seven most common inclinations that successful people need to overcome and the seven habits they should adopt instead Among his surprising findings The correlation between wealth and happiness is much smaller than you d expect it to be Generosity is not only a key to happiness but a determining factor of long term success Appreciating uncertainty rather than seeking full control of outcomes is necessary for happiness If You re So Smart Why Aren t You Happy will give you a powerful new perspective on your work personal goals and relationships whether you re already successful or just starting out
