Playing on the Edge Staci Newmahr, 2024-06-06 Representations of consensual sadomasochism range from the dark seedy undergrounds of crime thrillers to the fetishized pornographic images of sitcoms and erotica In this pathbreaking book ethnographer Staci Newmahr delves into the social space of a public pansexual SM community to understand sadomasochism from the inside out Based on four years of in depth and immersive participant observation she juxtaposes her experiences in the field with the life stories of community members providing a richly detailed portrait of SM as a social space in which experiences of violence intersect with experiences of the erotic She shows that SM is a recreational and deeply gendered risk taking endeavor through which participants negotiate boundaries between chaos and order Playing on the Edge challenges our assumptions about sadomasochism sexuality eroticism and emotional experience exploring what we mean by intimacy and how exactly we achieve it
