Small Comforts:

Give Linda Harper, Ph.D. ,2013-03-13 Daily life continually asks us to make choices about how to give whether it is our attention time energy talents love or even money to others and to ourselves Often we juggle our attempts to meet our own needs and the demands of others So the decisions we make about what when and how much to give strongly impact the quality of our everyday lives These choices can cause us stress turmoil guilt exhaustion and depletion or they can bring us immeasurable joy peace of mind and fulfillment So what is the key to giving that energizes and fulfills us rather than exhausts and depletes us Linda R Harper s simple five step guide will help you rediscover the joy in everyday giving using one question What are my heart s true desires at this very moment *Give* is not about giving more or giving less It is about giving from your deepest self and trusting the natural wisdom of your heart s desires As you become the giver you were meant to be you will deepen the meaning of your life through soulful ordinary acts of giving both to yourself and to others

Battalion Alastair Borthwick, 2014-12-19 Alastair Borthwick s Battalion is the widely acclaimed story of a British Army infantry unit in the Second World War Written in Germany just after VE Day Battalion captures the immediate memories of troops at war It gives the soldier s view of events avoiding moralising or sensationalism and making full use of first hand accounts of battles The result is a sharp depiction of war and of the extraordinary circumstances in which the soldiers frequently found themselves The book is notable for the sheer amount of front line action The planning and execution of battles is minutely described and the lot of the ordinary soldier is related with humour and immediacy It is a tale of remarkable courage and application to duty It records in detail a period of history reflecting the experiences of many Allied infantrymen and providing a unique testament to the trials and tribulations of conflict The battalion in question is the 5th Seaforth Highlanders of the 51st Highland Division Alastair Borthwick joined the battalion in 1943 as the soldiers fought a series of desert battles to push the German Army out of North Africa They then took part in the conquest of Sicily and later following behind the D Day landings advanced into Germany fighting several vicious battles in the final days of the war An outstanding book Max Hastings Daily Telegraph
