Gilbert,2012-09-30 Victoria Lamartine is on trial for the murder of her lover There are only five suspects including Lamartine But evidence that doesn't fit the police theory of the crime has been ignored whilst all of the damning evidence is presented in isolation There also appears to be links to gold smuggling There is also a final twist and conclusion Mr Calder And Mr Behrens Michael Gilbert,2012-09-30 More short stories about the deceptively harmless but sometimes lethal pair of agents Calder and Behrens The first story deals with Behrens pre Calder days inside wartime Germany and the adventures progress through time to the late twentieth century The pair are ruthless in disposing of wrongdoers and enemies of the state **The End Game** Michael Gilbert,2012-09-30 The Regional Crime Squad is after an organised crime empire involved with drug smuggling David Morgan goes undercover and finds himself posing as a vagrant so as to track down a former employee who knows of the whereabouts of incriminating documents This is a Snakes and Ladders operation with twists and ranges from London to Florence **The Man Who Hated Banks & Other Mysteries** Michael Gilbert,2012-09-30 Hazlerigg Bohun Mercer and Petrella all feature in turn in this collection of eighteen short stories police procedurals and action packed thrillers Why did the man rob the bank How could a man disappear in a deserted street And sixteen more Indexers and Indexes in Fact and Fiction Hazel K. Bell,2001-01-01 Bell examines the history of the index and the depiction of the indexer from diffident drudge to frankly insane in both fact and fiction A fascinating look at a previously little considered element of the book Twelve Englishmen of Mystery Earl F.
