A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet Jesús Tronch-Pérez,Jesús Tronch,2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple text play Like most critical editions it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non sensical readings However it does not hide the text s diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading version corresponding to the authentic Hamlet Rather it makes their significant variants immediately available in the line itself offering alternative editorial interpretations of identical or similar readings at certain points Thus the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known      **Classic Pictorial of Screen and Stage** ,1923      *Treasury of Thought* Maturin Murray Ballou,1894      **The Eclectic Magazine** John Holmes Agnew,Walter Hilliard Bidwell,1895      **Eclectic Magazine, and Monthly Edition of the Living Age** John Holmes Agnew,Walter Hilliard Bidwell,1895      *Tragedies of Shakespeare in Plain and Simple English (a Modern Translation and the Original Version)* ,2012-08-08 Shakespeare is the most critically acclaimed playwright of all time So why is he so hard to

understand This massive anthology of Shakespeare s tragedies will give you a new appreciation of William Shakespeare by putting each of his tragic works in plain and simple English Included in this anthology Romeo and Juliet Coriolanus Titus Andronicus Timon of Athens Julius Caesar Macbeth Hamlet Troilus and Cressida King Lear Othello Antony and Cleopatra Cymbeline The original text is also presented in the book along with a comparable version of both text We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month
