Jealousy of Trade Istvan Hont, 2005-08-31 The author focuses on Adam Smith and his contemporaries who pondered these issues particularly the nature and development of commercial society They attempted to come to terms with the claim that on the one hand the market was a decisive element in economic progress and on the other that its workings depended upon the release of the immoral desires of fallen men and that its consequences were socially and politically destabilizing

Hont reconstructs the salient features of this controversy between the proponents of market sociability and its most trenchant critics In doing so he has helped to locate historically the most important arguments at the heart of the emergence of modernity Jacket *The Mixer and Server*, 1928 *Morrissey FAQ* D. McKinney, 2015-04-01 No one can argue that Morrissey is one of the best lyricists and charismatic front men in music history But people love to argue about other things his mysterious personal life his pompous attitude and the history and meaning behind his biggest hits Morrissey FAQ will put to rest any questions and doubts about the singer known around the world for his meaningful lyrics and biting wit Readers will also learn about his passions his weaknesses the people who love him the people who hate him and the people who want to be him Not since Elvis have fans been so obsessed with a singer they fight with each other at concerts they rush and tackle him onstage they dress and act like him and they even build shrines dedicated to him Liking Morrissey isn't just liking his music it's a way of life Morrissey is known for his over the top lyrics his stage antics his philosophies and his whining But after reading this book and digging deeper into the brooding mystique that is Morrissey you'll also start whining for more Moz

The ABCs of Classic Hollywood Robert Beverley Ray, 2008 Speaking about the kind of filmmaking now known as Classic Hollywood the most popular and influential cinema ever invented Vincente Minnelli once gave away its secret I feel that a picture that stays with you is made up of a hundred or more hidden things They're things that the audience is not conscious of but that accumulate How would we go about finding those things What method would enable us to retrieve them and by doing so to understand better how Hollywood films got made The ABCs of Classic Hollywood attempts to answer those questions by looking closely at four movies from the 1930-1945 period when the American Studio System reached the peak of its economic and cultural power *Grand Hotel* *The Philadelphia Story* *The Maltese Falcon* and *Meet Me in St Louis* To avoid the predictable generalizations that have plagued Film Studies Ray works with the movies' details treated as initially mysterious but promising clues e.g. *Grand Hotel*'s coffin and room assignments *The Philadelphia Story*'s diving board and license plate PA55 *The Maltese Falcon*'s clocks and missing bed *Meet Me in St Louis*'s violinist and ribboned cat By producing at least 26 entries for each of these films one for every letter of the alphabet Ray demonstrates that a movie's details contain the record of the work and ideas that produced them the endless negotiation between commercial efficiency and seductive enchantment In our unconscious memories we recognize something in the movies something tantalizing and just out of reach This book unlocks those memories making them conscious and explicit so that they will help us understand the most powerful and important storytelling system ever designed
