Sample Book Insights 1 I was not a popular child I loved playing Robinson Crusoe in a small wooden fort my parents built in the backyard I was always plotting adventures and when I grew up I decided I would be a writer 2 I was not a key member of the staff but I was still required to take articles faxed over from the writers and type them into the computer system I was in a constant state of embittered self righteousness at the office 3 I was giddy when an editor at the magazine said they would publish my article and Mayita s photos and pay us for them It was two thousand dollars which was more than my monthly take home pay I went to the fancy salad bar at lunchtime for weeks after I got paid 4 I was afraid to become a mother I feared that I would be an awful mother and that I would be stuck in one place for 20 years playing oboe and doing math homework that I hadn t been able to do the first time around **Canadian Journal of Earth Sciences** ,2014
