The Ghosts of Hopewell Jim Fisher,2006-08 In this illustrated examination of the Lindbergh kidnapping case Jim Fisher seeks to set the record straight regarding Bruno Hauptmann's guilt in the crime of the century In February 1935 following a sensational six week trial a jury in Flemington New Jersey found German carpenter Hauptmann guilty of kidnapping and murdering the twenty month old son of Charles and Anne Lindbergh Although circumstantial the evidence against Hauptmann the handwriting on the ransom notes the homemade kidnapping ladder Colonel Lindbergh's money found in his garage his matching the description of the man who accepted the ransom payoff in the Bronx cemetery his inability to prove an alibi and his incredible explanation of his possession of the ransom money was overwhelming leaving few to doubt his guilt After a series of appeals and stays Hauptmann died fourteen months later in the electric chair A confession would have spared him the death sentence but Hauptmann chose to die maintaining his innocence It was not until the mid 1970s that revisionists began to challenge the conventional wisdom in the case that Hauptmann was the lone killer Revisionist books and articles appeared as did plays TV shows and a movie all portraying Hauptmann as the victim of a massive police and prosecution frame up At this point the focus shifted from the evidence to the conduct of the police By the 1980s most people familiar with the case were convinced of Hauptmann's complete innocence Many denied the murder believing that the Lindbergh baby remained alive Several men claimed to be the firstborn son of Charles and Anne Lindbergh one of whom sued to claim his share of the Lindbergh estate after Charles Lindbergh's death in 1974 Another group held that the kidnapping was an elaborate hoax to cover up the murder of the baby by his parents Anna Hauptmann's series of federal lawsuits against New Jersey and others in the mid 1980s fueled further interest in the case Although Hauptmann's widow lost all of her lawsuits she had won the hearts and minds of the American people before her death at the age of ninety four Former FBI agent Fisher discusses the hard evidence such as the ransom notes and the wood of the kidnapping ladder He analyzes and debunks the various revisionist theories and presents new evidence that coupled with the undisputed facts prove beyond a reasonable doubt that Hauptmann was guilty as charged he kidnapped and murdered the infant son of Charles and Anne Lindbergh

Mass Media and the Shaping of American Feminism, 1963-1975 Patricia Bradley, 2009-09-18 Beginning in 1963 with the publication of Betty Friedan s *The Feminine Mystique* and reaching a high pitch ten years later with the televised mega event of the Battle of the Sexes the tennis match between Billie Jean King and Bobby Riggs the mass media were intimately involved with both the distribution and the understanding of the feminist message This mass media promotion of the feminist profile however proved to be a double edged sword according to Patricia Bradley author of *Mass Media and the Shaping of American Feminism 1963 1975* Although millions of women learned about feminism by way of the

mass media detrimental stereotypes emerged overnight. Often the events mounted by feminists to catch the media eye crystalized the negative image. All feminists soon came to be portrayed in the popular culture as bra burners and strident women. Such depictions not only demeaned the achievements of their movement but also limited discussion of feminism to those subjects the media considered worthy: primarily equal pay for equal work. Bradley's book examines the media traditions that served to curtail understandings of feminism. Journalists following the craft formulas of their trade equated feminism with the bizarre and the unusual. Even women journalists could not overcome the rules of *What Makes News*. By the time Billie Jean King confronted Bobby Riggs on the tennis court, feminism had become a commodity to be shaped to attract audiences. Finally, in mass media's pursuit of the new counter feminist messages, came to replace feminism on the news agenda and helped set in place the conservative revolution of the 1980s. Bradley offers insight into how mass media constructs images and why such images have the kind of ongoing strength that discourages young women of today from calling themselves feminist. The author also asks how public issues are to be raised when those who ask the questions are negatively defined before the issues can even be discussed. *Mass Media and the Shaping of American Feminism* 1963 1975 examines the media's role in creating the images of feminism that continue today. And it poses the dilemma of a call for systematic change in a mass media industry that does not have a place for systematic change in its agenda. **Red Star**

Peter Hain, 2012-01-23 Peter Hain has always spoken his mind. So he does in this book. Here he tells his story as an outsider turned insider: anti-apartheid militant to Cabinet minister serving twelve years in Labour's government between May 1997 and May 2010. Growing up as the son of courageous anti-apartheid South Africans, Peter Hain was first in the public eye aged fifteen reading at the funeral of an anti-apartheid friend hanged in Pretoria. Living in exile in Britain during his late teens, he led campaigns to disrupt whites-only South African sports tours. His political notoriety resulted in two extraordinary Old Bailey trials and a letter bomb. Hain recalls his role in negotiating the historic 2007 settlement in Northern Ireland, being Britain's first ever African-born Africa Minister and acting as a passionate advocate and deliverer of devolved government to Wales. Featuring Iraq, Mugabe, Europe, Gibraltar, blood diamonds, work

alongside MI5 and MI6 and the delivery of justice for workers robbed of their pensions and compensation for sick miners Hain's autobiography gives a fascinating insight into life near the top of the Blair and Brown governments
