Rise Of The Snow Queen Book Two: The War Of The Witches G.W. Mullins,2020-04-24 What begins as a simple bittersweet tale about a man turned into a polar bear grandly unfolds into a rich mythical adventure in the best selling

book series Rise Of The Snow Queen Based on Hans Christian Andersen s fairy tale author G W Mullins expands on this story creating a new mythology that takes readers into the world of snow and ice In part two the story develops long before the adventures of Gerda and Kai It takes readers to a remote mountain village where winter claims lives at the Snow Queen s command The story goes back to the Mirror and how it cracked sending its shards into the world to infect the innocent This take on the story embarks on a much more adult tone with the mood turning rather sinister as the Snow Queen battles to obtain the mirror and rule them all Rise Of The Snow Queen Two War Of The Witches is a dark fairy tale that unfolds to a conclusion you won t expect to see coming

Blood on the Snow Jan Bondeson,2014-01-31 The Swedish Prime Minister Olof Palme a major figure in world politics and an ardent opponent of apartheid was shot dead on the streets of Stockholm in February 1986 At the time of his death Palme was deeply involved in Middle East diplomacy and was working under UN auspices to end the Iran Iraq war Across Scandinavia Palme s killing had an impact similar to that of the Kennedy assassinations in the United States and it ignited nearly as many conspiracy theories Interest in the Palme slaying was most recently stirred by reports of the death of Christer Pettersson who was tried for the murder twice convicted the first time and then acquitted on appeal In his investigative account of Palme s still unsolved murder the historian Jan Bondeson meticulously recreates the assassination and its aftermath Like the best works of crime fiction this book puts the victim and his death into social context Bondeson s work however is noteworthy for its dispassionate treatment of police incompetence the police did not answer a witness s phone call reporting the murder just 45 seconds after it occurred and further time was lost as the police sought to confirm that someone had actually been shot When the police arrived on the scene they did not even recognize the victim as the Prime Minister This early confusion was emblematic of the errors that were to follow Bondeson demolishes the various conspiracy theories that have been devised to make sense of the killing before suggesting a convincing explanation of his own A brilliant piece of investigative journalism Blood on the Snow includes crime scene photographs and reconstructions that have never before been published and offers a gripping narrative of a crime that shocked a continent
