author of Sweet Remedies offers a straightforward empowering guide to homegrown herbal remedies for illness injuries and
preventative health Most of us understand the value of eating and buying local Taking back our food goods and services from
multinational corporations and sourcing them from small growers producers artisans and entrepreneurs benefits our families
our environment and our communities Heal Local argues that 100 mile healthcare can be equally valuable in terms of how we
treat illness and injury and maintain wellness This innovative guide demonstrates that by harnessing multifaceted whole
plants we can rely on homegrown or regionally produced herbs rather than importing exotics and non natives Based on the
small apothecary model author Dawn Combs explains how to Maximize the benefits of homegrown first aid from increased
freshness potency and effectiveness to community resilience and local economic growth Make home herbal healthcare less
intimidating and more attainable by focusing on twenty herbs to effectively treat most common injuries and ailments
Implement a local medicine culture safely and sustainably while protecting and respecting wild plant populations Many
herbals overwhelm their readers presenting a list of hundreds of herbs each with a different purpose Heal Local empowers
readers by showing that you don t need to know everything about every herb on the planet to create a complete home
apothecary Anyone can be self sufficient with their wellness regardless of their previous knowledge experience or available
