Social Change And Adaptation In The Pacific Islands:

Social Change and Psychosocial Adaptation in the Pacific Islands Anthony J. Marsella, Ayda Aukahi Austin, Bruce Grant, 2006-05-31 The Pacific Island oceanic and rim nations include many traditional societies and emerging nations that have experienced abusive histories of colonization exploitation and social change and upheaval Their peoples are struggling to restore traditional cultural heritages and identities in a world community dominated by Western values and lifestyles The conflicts uncertainties and instability of this transitional time are reflected in these populations current social and psychological difficulties This volume is one of the few devoted to these issues and covering a range of problems including substance abuse hopelessness violence crime abuse juvenile delinquency suicide and AIDS Social Change and

Psychosocial Adaptation in the Pacific Islands Anthony J. Marsella, Ayda Aukahi Austin, Bruce Grant, 2008-11-01 **Family Violence and Social Change in the Pacific Islands** Lois Bastide, Denis Regnier, 2022-09-23 The Pacific Islands have some of the highest rates of family violence in the world Addressing the contemporary mutations of Pacific Island families and the shifting understandings of violence in the context of rapid social change this book investigates the conflict dynamics generated by these transformations The contributors draw from detailed case studies in a range of Pacific territories to examine family violence in relation to the social economic and political situation of native populations as well as individual collective and institutional responses to the development of violence within and upon the family They focus on vernacular understandings conflicting social norms the emergence of different types of violent patterns the impact of violence on individuals and communities and local attempts at mitigating or combating it Combining ethnographic expertise with engaged scholarship this volume offers a vivid account of ongoing social change in Pacific Island societies and a crucial contribution to the understanding of family violence as a social process cultural construct and political issue This book will appeal to scholars with interests in the sociology of violence and the family Pacific studies development studies and the social and cultural anthropology of Oceania *Environmental Change and the World's Futures* Jonathan Paul Marshall, Linda H. Connor, 2015-08-27 Climate change and ecological instability have the potential to disrupt human societies and their futures Cultural social and ethical life in all societies is directed towards a future that can never be observed and never be directly acted upon and yet is always interacting with us Thinking and acting towards the future involves efforts of imagination that are linked to our sense of being in the world and the ecological pressures we experience The three key ideas of this book ecologies ontologies and mythologies help us understand the ways people in many different societies attempt to predict and shape their futures Each chapter places a different emphasis on the linked domains of environmental change embodied experience myth and fantasy politics technology and intellectual reflection in relation to imagined futures The diverse geographic scope of the chapters includes rural Nepal the islands of the Pacific Ocean Sweden coastal Scotland North America and remote rural and urban Australia This book will appeal to researchers and students in anthropology sociology

environmental studies cultural studies psychology and politics **Resilience in the Pacific and the Caribbean** Simon Hollis, 2020-10-26 This book critically examines the global diffusion and local reception of resilience through the implementation of Disaster Risk Reduction DRR programmes in Pacific and Caribbean island states Global efforts to strengthen local disaster resilience capacities have become a staple of international development activity in recent decades yet the successful implementation of DRR projects designed to strengthen local resilience remains elusive While there are pockets of success a gap remains between global expectations and local realities Through a critical realist study of global and local worldviews of resilience in the Pacific and Caribbean islands this book argues that the global advocacy of DRR remains inadequate because of a failure to prioritise a person orientated ethics in its conceptualization of disaster resilience This regional comparison provides a valuable lens to understand the underlying social structures that makes resilience possible and the extent to which local governments communities and persons interpret and modify their behaviour on risk when faced with the global message on resilience This book will be of much interest to students of resilience risk management development studies and area studies **Maritime Adaptations of the Pacific** Richard W. Casteel, Jean-Claude Passeron, 2011-06-03 No detailed description available for Maritime Adaptations of the Pacific [Internalized Oppression](#) E.J.R. David, 2013-12-09 It is a great honor to write the foreword to such an important book edited by E J R David filled with contributions from leading and emerging psychological scholars on internalized oppression One of the best features of the book in my opinion is that the chapter authors are allowed to share their own personal experiences and that such experiences are regarded to be just as valid and legitimate as the theories and empirical studies that they review Eduardo Duran PhD 7th Direction Therapy Assessment and Consulting Author of Healing the Soul Wound and Co Author of Native American Postcolonial Psychology The oppression of various groups has taken place throughout human history People are stereotyped discriminated against and treated unjustly simply because of their social group membership But what does it look like when the oppression that people face from the outside gets under their skin Long overdue this is the first book to highlight the universality of internalized oppression across marginalized groups in the United States from a mental health perspective It focuses on the psychological manifestations and mental health implications of internalized oppression for a variety of groups The book provides insight into the ways in which internalized oppression influences the thoughts attitudes feelings and behaviors of the oppressed toward themselves other members of their group and members of the dominant group It also considers promising clinical and community programs that are currently addressing internalized oppression among specific groups The book describes the implications and unique manifestations of internalized oppression among African Americans Latinos Asian Americans Pacific Islanders American Indians and Alaska natives women people with disabilities and the lesbian gay bisexual and transgender community For each group the text considers its demographic profile history of oppression contemporary oppression common manifestations and mental and behavioral health implications clinical and

community programs and future directions Chapters are written by leading and emerging scholars who share their personal experiences to provide a real world point of view Additionally each chapter is coauthored by a member of a particular community group who helps to bring academic concepts to life Key Features Addresses the universality of internalized oppression across marginalized groups in the U S and its corresponding mental health and psychological manifestations Considers how specific groups exhibit internalized oppression in their own unique ways Provides insight into how internalized oppression influences the thoughts feelings attitudes and behaviors of the oppressed Highlights promising clinical and community programs
