SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.) David W. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the

mandates of the criminal justice system **Social Policy and Social Justice** Michael Reisch, 2013-02-21 Social Policy and Social Justice provides today's students and tomorrow's practitioners with a comprehensive overview of U.S. social policy and the policymaking process. Author and editor Michael Reisch brings together experts in the field to help students understand these policies and prepare them for the emerging realities that will shape practice in the 21st century. This text explores the critical contextual components of social policy including history, ideology, political economy, and culture, and demonstrates major substantive areas of policy such as income maintenance and health/mental health.

Duty of Care in the Human Services Rosemary Kennedy, 2009-11-12 The human services are established to support the most vulnerable and marginalised people in our society. Yet media and other reports frequently highlight a disturbing picture of industry failures, malpractice, and abuse. This book addresses the response of legal and quasi-legal bodies to human service failures. It outlines those areas of law which are most likely to be activated by human service shortcomings and those aspects of direct human service delivery which are most likely to attract legal attention. Essential reading for those studying or working in human services and social work, this book is designed to alert people to the legal risks arising as a result of inadequate human service delivery.

The Battered Woman Syndrome, Fourth Edition Lenore E. A. Walker, 2016-10-28 With its focus on the connection between health and mental health symptoms, this seminal groundbreaking work continues to forge new directions in the field of domestic violence. Describing a condition that is the basis for the battered woman defense cited in cases of physically and psychologically abused women who have killed their abusers, it continues to be used as a defense to explain premeditated assault or murder. Completely updated, the fourth edition reflects the significant changes in the field since the book was last published, incorporating Affordable Care Act (ACA) guidelines on health care and domestic violence and data from the Adverse Childhood Experiences Study. It examines new research regarding battered women and cross-cultural and cross-national issues and includes several new chapters addressing issues ranging from murder-suicide in domestic violence cases to proposed legislation and congressional resolutions. The fourth edition provides new findings worldwide that reinforce the cycle theory of violence. It reflects new research on traumatic responses and addresses trauma-informed and trauma-specific psychotherapy interventions with youth in juvenile detention centers, information from government task forces regarding children exposed to violence and juvenile justice, and new findings regarding the application of psychology to the legal system. Entirely new to the fourth edition is a section about reforming family court and divorce presumptions. This is crucial reading for nearly all health and mental health workers who may be called upon to ask clients about experiences of domestic violence and must respond knowledgeably and effectively. New to the Fourth Edition: Fully revised and updated. Incorporates ACA guidelines on health care and domestic violence. Includes data from the Adverse Childhood Experiences Study. Addresses findings regarding battered women and cross-cultural and cross-national issues. New chapter on murder-suicide in domestic violence cases. New chapter on trauma treatment for victims of intimate partner violence (IPV). New

chapter on human trafficking and sexual exploitation of children New chapter on false confessions of battered women
