Socialization To Civil Society A Life History Study Of Community Leaders:

Socialization to Civil Society Peter Robert Sawyer, 2005-01-01 Using a life history approach looks at what influences citizens to participate in the voluntary associations that comprise and promote civil society Political Culture, Change, and Security Policy in Nigeria Kalu Kalu, 2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system Political Culture Change and Security Policy examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria's national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy preferences and competing political outcomes **Role Differentiation in Chinese Higher Education**

Xiaoxin Du, 2020-11-30 This book examines tensions between the Chinese state and Chinese universities It looks at the state's demand for political socialization as a restriction on university autonomy and the university's promotion of academic development through promoting academic freedom and fostering critical thinkers using Jiao University in PRC as a case study The book focuses on the dynamics and complexity of the interplay between the state universities faculty staff and students in the process of socialization through political education and academic affairs Theories on political socialization and higher education guide this study As universities socio political task of imbuing students with a certain type of ideology coexists with their role of promoting university autonomy examining China's higher education system provides important insights as different players interaction These present a dynamic picture of role differentiation as a strategy to cope with a politically restricted autonomy which challenges some common stereotypes that have been put on Chinese universities within the global community **Practicing Oral History to Improve Public Policies and Programs** Marella

Hoffman, 2017-09-14 The use of contemporary oral history to improve public policies and programs is a growing transdisciplinary practice Indispensable for students and practitioners Practicing Oral History to Improve Public Policies and Programs is the first book to define the practice explain how policy makers use it show how it relates to other types of oral history and provide guidance on the ethics and legalities involved Packed with case studies from disciplines as diverse as medicine agriculture and race relations as well as many examples from the author's own work this book provides an essential

overview of the current state of the field within oral history for public policy and a complete methodology for the process of designing and implementing an oral history project The comprehensive How To section demonstrates how to use the practice to advance the reader's career their chosen discipline and the public interest whether their field is in oral history or in public policy This book is an important resource for oral historians fledgling or experienced who are keen to find new applications and funding for their work as well as for professionals in the public and not for profit sectors who want to learn to use oral history to improve their own policies and programs **The Art of Helping Others** Heather Smith, Mark K. Smith, 2008

When searching for someone to help them reflect upon and improve their lives people tend to be drawn towards those who are compassionate committed and wise This book is aimed at those who recognise these qualities in themselves and wish to develop their capacity to engage with and help others The authors argue for ways of approaching helping and counselling that are rooted in care and commitment drawing upon the experiences and practice wisdom of youth workers housing support and hostel workers the clergy and those working in a religious setting educators and settlement and community workers They explore the key characteristics of those who counsel and teach and examine aspects of the helping process focusing on living life well knowing and being oneself relating to others and working to make change possible This book will be essential reading for students on professional training programmes in youth work community education ministry social care and counselling American Book Publishing Record, 2003 Choice, 2006 The British National Bibliography
