Sociology A Brief Introduction With Study Card:

Sociology Alex Thio, 2005 Unique for its blend of style and substance this introductory text uses a balanced and systematic application of sociological theory throughout to help students see the difference between myths and realities about society **Sociology** Richard T. Schaefer, 2011 **Handbook of Research on Digital Violence and Discrimination Studies** Özsungur, Fahri, 2022-04-08 Digital violence continues to increase especially during times of crisis Racism bullying ageism sexism child pornography cybercrime and digital tracking raise critical social and digital security issues that have lasting effects Digital violence can cause children to be dragged into crime create social isolation for the elderly generate inter communal conflicts and increase cyber warfare A closer study of digital violence and its effects is necessary to develop lasting solutions The Handbook of Research on Digital Violence and Discrimination Studies introduces the current best practices laboratory methods policies and protocols surrounding international digital violence and discrimination Covering a range of topics such as abuse and harassment this major reference work is ideal for researchers academicians policymakers practitioners professionals instructors and students A Brief History of the American Public School Ross Lee Finney, 1921 *Bibliography of Use Studies* Richard A. Davis (of Washington, D.C.), Catherine A. Bailey, Drexel Institute of Technology. Graduate School of Library Science, 1964 **How to Manage your Arts, Humanities and Social Science Degree** Lucinda Becker, 2017-03-14 This innovative book takes a practical no nonsense approach to all areas of undergraduate life from getting started and maximizing learning opportunities to making choices mastering time management and succeeding in exams It also covers the wider aspects of the university experience including peer pressure finances and grasping the opportunities available to undergraduates throughout their degree course The book concludes with guidance on how to break into a career as a graduate *U.S. Government Research and Development Reports* , 1965 More Than Curious William H. Press, 2023-11-10 The author found himself in places and times to closely observe significant events and noteworthy personalities in 20th century science Various he interacted with such notables as Richard Feynman S Chandrasekhar Edward Teller Ya B Zel dovich John Wheeler James Watson Julian Schwinger Fred Hoyle Martin Rees Stephen Hawking Freeman Dyson Ed Witten and many others His Ph D advisor Kip Thorne and his Ph D student Adam Riess each won Nobel Prizes for discoveries that he helped them start Later he worked with or for not just scientists but also technology capitalists and billionaires admirals and generals and political leaders including two U S presidents His memoir is rich in stories about these people and events Resources in Education , 1996 **The Publishers Weekly** , 1926 Environmental Engagement and Cultural Value: Global Perspectives for Protecting the Natural World Fanli Jia, Tobias Krettenauer, 2020-02-04 Environmental issues are a rapidly growing focal point in today s global discussion These issues are becoming increasingly pertinent due to the potentially devastating outcomes of human environmental carelessness As a species humans now have realized the need for worldwide environmental engagement This engagement is intended to

heighten awareness about environmental problems build knowledge in education and change human behaviors to improve sustainability Synthesizing the literature on cultural dimensions e g attitudes beliefs values that undergird positive views of environmental issues and engagement of sustainability practices would significantly contribute to the development of effective approaches to fostering sustainable environmental practices Through the identification of commonalities across cultures and sensitivity to cultural differences we can begin to work toward a global consensus on viable solutions this critical issue

French Revolution Sparknotes,2005-07 Accumulation Jennifer Gabrys,Gay Hawkins,Mike Michael,2013-07-24 From food punnets to credit cards plastic facilitates every part of our daily lives It has become central to processes of contemporary socio material living Universalised and abstracted it is often treated as the passive object of political deliberations or a problematic material demanding human management But in what ways might a politics of plastics deal with both its specific manifestation in particular artefacts and events and its complex dispersed heterogeneity

Accumulation explores the vitality and complexity of plastic This interdisciplinary collection focuses on how the presence and recalcitrance of plastic reveals the relational exchanges across human and synthetic materialities It captures multiplicity by engaging with the processual materialities or plasticity of plastic Through a series of themed essays on plastic materialities plastic economies plastic bodies and new articulations of plastic the editors and chapter authors examine specific aspects of plastic in action How are multiple plastic realities enacted What are their effects This book will be of interest to students and scholars of sociology human and cultural geography environmental studies consumption studies science and technology studies design and political theory

A History of Agricultural Education in the United States, 1785-1925 Alfred Charles True,1929 *Alfred Loisy and the Making of History of Religions* Annelies Lannoy,2020-08-10 This monograph studies the professionalization of History of religions as an academic discipline in late 19th and early 20th century France and Europe Its common thread is the work of the French Modernist priest and later Professor of History of religions at the Coll ge de France Alfred Loisy 1857 1940 who participated in many of the most topical debates among French and international historians of religions Unlike his well studied Modernist theology Loisy s writings on comparative religion and his rich interactions with famous scholars like F Cumont M Mauss or J G Frazer remain largely unknown This monograph is the first to paint a comprehensive picture of his career as a historian of religions before and after his excommunication in 1908 Through a contextual analysis of publications by Loisy and contemporaries and a large corpus of private correspondence it illuminates the scientification of the discipline between 1890 1920 and its deep entanglement with religion politics and society Particular attention is also given to the role of national and transnational scholarly networks and the way they controlled the theoretical and institutional frameworks for studying the history of religions
