*The Story of Music* Paul Bekker, 1970      **STORY OF MUSIC** PAUL. BEKKER, 2018      **The Story of Music** Paul Bekker, 2017-07-23 Excerpt from *The Story of Music An Historical Sketch of the Changes in Musical Form* I freely confess that I have chosen the second course not from any lack of modesty but because I believe that the presentation of history is a matter less of knowledge than of point of view For this reason the invitation of the Radio Corporation attracted me particularly as it gave me the opportunity of testing the soundness of the ideas developed in my book on Wagner and my pamphlet on *The Nature of Tone* in the larger field of music history as a whole These lectures which were given under the title of *The History of Change in Music* are here presented in book form While the title has been changed the lecture form has been retained because it gives the original layout of the material About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Story of Music** Paul Bekker, M. Herter Norton, 2013-10 This is a new release of the original 1927 edition      **The Story of Music** Paul Bekker, 1927      *The Story of Music; An Historical Sketch of the Changes in Musical Form, by Paul Bekker. Translation by M.D. Herter-Norton and Alice Kortschak* Paul Bekker, 1927      **Volume of Proceedings** Music Teachers National Association, 1929      *The Journal of Educational Research*, 1928      **Meyerbeer Studies** Robert Ignatius Letellier, 2005 In 1936 Meyerbeer's opera *Les Huguenots* achieved its 1 120 superscript th performance at the Paris Opera This extraordinary record is an indication of the vast fame and influence of its composer who was once a household name like Verdi or Puccini Now he is unknown to the ordinary opera lover These essays represent something of an odyssey to seek out and know the shadowy figure behind so much divided opinion and long neglect They represent attempts at various stages over thirty years to find Meyerbeer and enter the world of his remarkable operatic creations that once so characterized the musical life of European civilization Jacket      **Handbook of American Private Schools**, 1928 This handbook aims to be a guide to the best private schools of the country It has been undertaken with the parent especially in mind but it is hoped that it may be of value to school and college authorities and all others interested in the subject It is believed that this Handbook is the first volume which attempts a critical and discriminating treatment of the private schools of the country It is an endeavor to classify the schools on their merits at least a step it is hoped toward eventual standardization Editor's foreword      *Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ...* Weston Public Library
