More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told Brian Onken,2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus

Adult Bible Studies Summer 2021 Student Michelle J. Morris,2021-04-20 The three units of Bible lessons in this quarter unify around the theme Respond The lessons move through various responses people of faith are called to make as they live out their faith in both good times and difficult ones Unit 1 Intended for Good The Genesis story of Joseph and his brothers is one of the great stories from the Bible with forgiveness and grace among its underlying themes As the story stretches over several chapters of Genesis the four weeks of this unit give us ample time to explore it and

see how the meaning of its events changed as Joseph recognized God at work behind the scenes Scriptures Genesis 37 5 28
Genesis 39 1 21 Genesis 41 1 16 25 32 Genesis 45 1 15 Spiritual Practice Forgiveness Unit 2 The People Next Door Neighbor
is an important theme in both the Old and New Testaments and so this four lesson unit delves into it from several
perspectives The first lesson Lesson 5 in this quarter gathers various verses from Proverbs on that topic The second lesson
using a passage from the book of Ruth invites us to think about what it means to be a neighbor to immigrants The third
lesson looks in the book of Acts for how the early church leaders incorporated neighborliness into the church s structure And
the fourth lesson takes us to Mark s Gospel for an example of four individuals who were true neighbors to a man in need
Scriptures Proverbs 3 27 30 6 1 5 25 20 23 Ruth 2 4 16 Acts 6 1 7 Mark 2 1 12 Spiritual Practice Scripture Unit 3 The Five
Stages of Job As suffering in some form comes to most of us at some point or points in life it is useful to consider how Job who
suffered greatly responded to it and to learn from his experience The five lessons of this unit show us five diverse ways Job
responded to his calamities worship resignation protest angry despair and acceptance While not suggesting that all of these
are useful in every case the lessons help us recognize what may be going on in our spirits when suffering overtakes us
Scriptures Job 1 8 20 Job 1 21 22 2 7 10 Job 19 1 6 13 19 Job 30 16 23 Job 40 1 5 41 1 10 42 1 6 Spiritual Practice Lament
