The Story of Our Country John Castell Hopkins, 2017-11-21 Excerpt from The Story of Our Country A History of Canada for Four Hundred Years Through the shaded aisles of a primeval forest Over thousands of miles of lake and river and wilderness echo the sounds of that hundred years of war between the French and English for the possession of this continent Out of these struggles develop the striking incidents of the Revolutionary period and the first conflict for Canadian independence out of the new condition of affairs then created come the memories of a war in 1812 which was fought for freedom as fully and marked by episodes as heroic As ever were the conflicts of ancient Greek or modern Swiss About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

The Story of Canada E. L. Marsh,2015-06-27 Excerpt from The Story of Canada Long years ago no white man lived on the continent of America no white man even knew there was such a place The people of the Old World then had but little time for learning or travel They were often at war and during peaceful days their affairs at home needed attention Less than five hundred years ago all but a few learned men believed the earth to be fiat They had no idea there was a great stretch of land beyond the Atlantic Ocean In those days a man was put in prison because he said the earth was round and turned on its axis But he was so sure he was right that when they put him into his cell he stamped his foot and said She is turning still It is true there were men who had sailed across the ocean but no histories of their voyages had been written and the stories told about them were treated very much as fairy tales Mothers told them to their little children as they put them to sleep at night During the time that these stories were being talked about a little boy was born in Genoa To him the legends of distant countries were told About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **STORY OF OUR COUNTRY** JOHN CASTELL.
