Reclaiming Difference Carine M. Mardorossian, 2005 In *Reclaiming Difference* Carine Mardorossian examines the novels of four women writers Jean Rhys Dominica UK Maryse Condé Guadeloupe USA Edwidge Danticat Haiti USA and Julia Alvarez Dominican Republic USA showing how their writing has radically reformulated the meanings of the national geographical sexual and racial concepts through which postcolonial studies has long been configuring difference Coming from the anglophone francophone and hispanophone Caribbean these writers all stage and identify with transcultural experiences that undermine the usual classification of literary texts in terms of national and regional literatures and by doing so they challenge the idea that racial and cultural identities function as stable points of reference in our unstable world Focusing on the transformations that have taken place in postcolonial studies since the field began to focus on theory Mardorossian highlights not only how these writers make use of the styles of creolization and hybridity that have dominated Caribbean and postcolonial studies in recent years but also how they distinguish themselves from the movement's leading figures by offering new articulations of the ties that link race and nation to gender and class She illuminates how these writers extend the notion of hybridity away from racial and cultural

differences in isolation from each other to a set of crisscrossing categories that challenge our simpler normative figurations For scholars in postcolonial studies Caribbean studies literary feminist studies and studies in comparative literature Reclaiming Difference represents a new phase in postcolonial studies that calls for a fundamental rethinking of the field s terminology and assumptions

The Anatomy of Story John Truby,2008-10-14 John Truby is one of the most respected and sought after story consultants in the film industry and his students have gone on to pen some of Hollywood s most successful films including *Sleepless in Seattle* *Scream* and *Shrek* *The Anatomy of Story* is his long awaited first book and it shares all of his secrets for writing a compelling script Based on the lessons in his award winning class *Great Screenwriting* *The Anatomy of Story* draws on a broad range of philosophy and mythology offering fresh techniques and insightful anecdotes alongside Truby s own unique approach for how to build an effective multifaceted narrative Truby s method for constructing a story is at once insightful and practical focusing on the hero s moral and emotional growth As a result writers will dig deep within and explore their own values and worldviews in order to create an effective story Writers will come away with an extremely precise set of tools to work with specific useful techniques to make the audience care about their characters and that make their characters grow in meaningful ways They will construct a surprising plot that is unique to their particular concept and they will learn how to express a moral vision that can genuinely move an audience The foundations of story that Truby lays out are so fundamental they are applicable and essential to all writers from novelists and short story writers to journalists memoirists and writers of narrative non fiction

Heathcliff's Fortune Gordon Robert Howdle,2024-01-28 Imagining the short period of Heathcliff s absence in Emily Bront s acclaimed novel *Heathcliff s Fortune* depicts the events which sees him transformed from a rough farm boy to a wealthy gentleman and relates how he acquired in India the great wealth that made enacting his terrible revenge on those who wronged him possible

Spirit Becomes Matter Henry Staten,2014-06-04 Explains how under the influence of the new mental materialism that held sway in mid Victorian scientific and medical thought the Brontë 1 2s and George Eliot in their greatest novels broached a radical new form of novelistic moral psychology

The Cambridge Companion to Narrative David Herman,2007-07-19 The *Cambridge Companion to Narrative* provides a unique and valuable overview of current approaches to narrative study An international team of experts explores ideas of storytelling and methods of narrative analysis as they have emerged across diverse traditions of inquiry and in connection with a variety of media from film and television to storytelling in the real life contexts of face to face interaction to literary fiction Each chapter presents a survey of scholarly approaches to topics such as character dialogue genre or language shows how those approaches can be brought to bear on a relatively well known illustrative example and indicates directions for further research Featuring a chapter reviewing definitions of narrative a glossary of key terms and a comprehensive index this is an essential resource for both students and scholars in many fields including language and literature composition and rhetoric creative writing jurisprudence communication and media studies
