Storytellers Companion To The Bible Vol 1 Genesis:

The storyteller's companion to the Bible, v.1 : Genesis Michael E. Williams, 1991 **The Publishers Weekly**, 1991

The Storyteller's Companion to the Bible: Genesis Michael Edward Williams, 1991 Including Bible commentary and great sermon material this book shows how to read and retell the stories of the Bible more effectively The Prophets I focuses on Old Testament prophets and books before the Exile including Hos ea Amos Micah Isaiah and many more *Canadian Books in Print*, 1993 **A Companion to Biblical Interpretation in Early Judaism** Matthias Henze, 2012-01-09 Presents eighteen commissioned articles on biblical exegesis in early Judaism covering the period after the Hebrew Bible was written and before the beginning of rabbinic Judaism from publisher description *Canadiana*, 1991 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Feminist Frameworks and the Bible** L. Juliana Claassens, Carolyn J. Sharp, 2017-10-19 This volume on intercultural biblical interpretation includes essays by feminist scholars from Botswana Germany New Zealand Nigeria South Africa and the United States Reading from a rich variety of socio cultural locations contributors present their hermeneutical frameworks for interpretation of Hebrew Bible texts each framework grounded in the writer's journey of professional or social formation and serving as a prism or optic for feminist critical analysis The volume hosts a lively conversation about the nature and significance of biblical interpretation in a global context focusing on issues at the nexus of operations of power textual ambiguity and intersectionality Engaged here are notions of biblical authority and postures of dissent women's agency discernment rivalry and alliance in ancient and contemporary contexts ideological constructions of sexuality and power interpretations related to indigeneity racial identity interethnic intimacy and violence in colonial contexts theologies of the feminine divine and feminist understandings of the sacred convictions about interdependence and conditions of flourishing for all beings in creation and ethics of resistance positioned over against dehumanization in political theological and hermeneutical praxes Through their textual and contextual engagements contributors articulate a broad spectrum of feminist insights into the possibilities for emancipatory visions of community **Subject Guide to Books in Print**, 1997 *Arts & Humanities Citation Index*, 1993 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Forthcoming Books Rose Arny, 1997-12 **Opening the Bible** Antony Campbell, 2014-08-30 When Tony Campbell aged 75 asked the Council of Jesuit Theological College for Emeritus status and retirement from JTC both were granted most graciously along with a testimonial document which said in part His teaching has combined evocation and provocation in the best sense of those terms He has mentored research students with scholarly exactitude and personal care He has published books of the highest scholarly quality of engaging readability and of passionate conviction When we at ATF were considering asking him for a volume of Collected Works or Selected Writings we were well aware that published books

of the highest scholarly quality were likely to be found on the shelves of libraries and of specialised academics but not with students and others generally interested There may be a dozen or more of Tony s books on the list from Amazon com booksellers along with another two or three that are not listed there But most are heavy duty specialist works not easily accessible even to the educated public We were equally well aware that there was a surprising number of essays and articles scattered in journals and proceedings of conferences that were because of the scattering often just as inaccessible We thought that a collection of these in a single volume would be of great value to those interested In the Introduction to this volume Father Campbell has gone into some detail about the contents Suffice for us to say that Job and the issues associated with suffering concern us all that the interplay of history and narrative is a constant in the understanding of much biblical text and that the nature of the Bible and its role in our lives is a major concern for most thinking Christians While Father Campbell s focus is on the Older Testament pondering what he looks at throws light on much of the Newer Testament as well The writings Tony Campbell has pulled together in this single volume address significant issues within the readable length of an article or a talk Addressed originally to thinking people we at ATF believe they are likely to be of interest to a wide audience

The Scriptural Tale in the Fourth Gospel Edward H. Gerber, 2016-09-27 A more nuanced view of the Fourth Gospel s media nature suggests a new and promising paradigm for assessing expansive and embedded uses of scripture in this work The majority of studies exploring the Fourth Evangelist s use of scripture to date have approached the Fourth Gospel as the product of a highly gifted writer who carefully interweaves various elements and figures from scripture into the canvas of his completed document The present study attempts to calibrate a literary approach to the Fourth Gospel s use of scripture with an appreciation for oral poetic influences whereby an orally situated composer s use of traditional references and compositional strategy could be of one and the same piece Most importantly pre formed story patterns thick with referential meaning were used in the construction of new works The present study makes the case that the Fourth Evangelist has patterned his story of Jesus after a retelling of the story of Adam Israel in two interrelated ways first in the prologue and then in the body of the Gospel as a whole

Israel's Scriptures in Early Christian Writings Matthias Henze, David Lincicum, 2023-07-20 How did New Testament authors use Israel s Scriptures Use misuse appropriation citation allusion inspiration how do we characterize the manifold images paraphrases and quotations of the Jewish Scriptures that pervade the New Testament Over the past few decades scholars have tackled the question with a variety of methodologies New Testament authors were part of a broader landscape of Jewish readers interpreting Scripture Recent studies have sought to understand the various compositional techniques of the early Christians who composed the New Testament in this context and on the authors own terms In this landmark collection of essays Matthias Henze and David Lincicum marshal an international group of renowned scholars to analyze the New Testament text by text aiming to better understand what roles Israel s Scriptures play therein In addition to explicating each book the essayists also cut across texts to chart the most

important central concepts such as the messiah covenants and the end times Carefully constructed reception history of both testaments rounds out the volume Comprehensive and foundational Israel s Scriptures in Early Christian Writings will serve as an essential resource for biblical scholars for years to come Contributors Garrick V Allen Michael Avioz Martin Bauspiess Richard J Bautch Ian K Boxall Marc Zvi Brettler Jaime Clark Soles Michael B Cover A Andrew Das Susan Docherty Paul Foster J rg Frey Alexandria Frisch Edmon L Gallagher Gabriella Gelardini Jennie Grillo Gerd H fner Matthias Henze J Thomas Hewitt Robin M Jensen Martin Karrer Matthias Konradt Katja Kujanp John R Levison David Lincicum Grant Macaskill Tobias Nicklas Val rie Nicolet Karl Wilhelm Niebuhr George Parsenios Benjamin E Reynolds Dieter T Roth Dietrich Rusam Jens Schr ter Claudia Setzer Elizabeth Evans Shively Michael Karl Heinz Sommer Angela Standhartinger Gert J Steyn Todd D Still Rodney A Werline Benjamin Wold Archie T Wright Violence and Personhood in Ancient Israel and Comparative Contexts T.
