The Ghosts of Happy Valley Juliet Barnes, 2013-07-04 Happy Valley was the name given to the Wanjohi Valley in the Kenya Highlands where a small community of affluent hedonistic white expatriates settled between the wars While Kenya's early colonial days have been immortalised by farming pioneers like Lord Delamere and Karen Blixen and the pioneering aviator Beryl Markham Happy Valley became infamous under the influence of troubled socialite Lady Idina Sackville whose life was told in Frances Osborne's bestselling *The Bolter* The era culminated with the notorious murder of the Earl of Erroll in 1941 the investigation of which laid bare the Happy Valley set's decadence and irresponsibility chronicled in another bestseller James Fox's *White Mischief* But what is left now In a remarkable and indefatigable archaeological quest Juliet Barnes who has lived in Kenya all her life and whose grandparents knew some of the Happy Valley characters has set out to explore Happy Valley to find the former homes and haunts of this extraordinary and transient set of people With the help of a remarkable African guide and further assisted by the memories of elderly former settlers she finds the remains of grand residences tucked away beneath the mountains and speaks to local elders who share first hand memories of these bygone times Nowadays these old homes she discovers have become tumbledown dwellings for many African families school buildings or their ruins have almost disappeared without trace a revelation of the state of modern Africa that makes the gilded era of the Happy Valley set even more fantastic A book to set alongside such singular evocations of Africa's strange colonial history as *The Africa House* *The Ghosts of Happy Valley* is a mesmerising blend of travel narrative social history and personal quest

Historical Dictionary of Women in Sub-Saharan Africa Kathleen Sheldon, 2016-03-04 African women's history is a vast topic that embraces a wide variety of societies in over 50 countries with different geographies social customs religions and historical situations Africa is a predominantly agricultural continent and a major factor in African agriculture is the central role of women as farmers It is estimated that between 65 and 80 percent of African women are engaged in cultivating food for their families and in the past that percentage was likely even higher Thus one common thread across much of the continent is women's daily work in their family plot This second edition of *Historical Dictionary of Women in Sub-Saharan Africa* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on individual African women in history politics religion and the arts on important events organizations and publications and on topics important to women in general marriage fertility employment and to African women in particular market women child marriage queen mothers This book is an excellent access point for students researchers and anyone wanting to know more about the Women in Africa

A Cultural History of Twin Beds Hilary Hinds, 2020-05-11 A Cultural History of Twin Beds challenges our most ingrained assumptions about intimacy sexuality domesticity and hygiene by tracing the rise and fall of twin beds as a popular sleeping arrangement for married couples between 1870 and 1970 Modern preconceptions of the twin bed revolve around their use by couples who have no desire to sleep in the same bed space Yet for

the best part of a century twin beds were not only seen as acceptable but were championed as the sign of a modern and forward thinking couple But what lay behind this innovation And why did so many married couples ultimately abandon the twin bed In this book Hilary Hinds presents a fascinating insight into the combination of beliefs and practices that made twin beds an ideal sleeping solution Using nuanced close readings of marriage guidance and medical advice books furnishing catalogues novels films and newspapers this volume offers an accessible and rigorous account of the curious history of twin beds This is vital reading for those with an interest in cultural history sociology anthropology and psychology **Hughes**

Richard Hack,2002-09-02 Howard Hughes 1905 1976 was a true American original legendary lover record setting aviator idiosyncratic film producer talented inventor ultimate eccentric and for much of his lifetime the richest man in the United States His desire for privacy was so fierce and his isolation so complete that even several decades after his death inaccurate stories continue to circulate about him Richard Hack explodes the illusion of Hughes life and exposes the man behind the myth a playboy whose sexual exploits with Hollywood stars were legendary an entrepreneur without ethics an explorer without maps and ultimately an eccentric trapped by his own insanity Drawing on secreted letters declassified FBI files autopsy reports more than 110 000 pages of court testimony and exclusive interviews Hack reveals a man so devious in his thinking and so perverse in his desires that his impact continues to be felt even today From entertainment to politics aviation to espionage the author shows how and why Howard Hughes left an indelible and unique mark on the American cultural landscape **Explorations in World Literature Instructor's Manual** Carole M. Shaffer-Koros,Jessie M.

Reppy,1998-07-28 Authentic world literature provides the source material for students to enhance their critical thinking reading and writing skills The Instructor s Manual makes teaching suggestions for the Student s Book It also provides mini lectures and background materials for each reading **The souls of white folk** Brett Shadle,2015-05-01 Kenya s white settlers have been alternately celebrated and condemned painted as romantic pioneers or hedonistic bed hoppers or crude racists The souls of white folk examines settlers not as caricatures but as people inhabiting a unique historical moment It takes seriously though not uncritically what settlers said how they viewed themselves and their world It argues that the settler soul was composed of a series of interlaced ideas settlers equated civilisation with a hard to define whiteness they were emotionally enriched through claims to paternalism and trusteeship over Africans they felt themselves constantly threatened by Africans by the state and by the moral failures of other settlers and they daily enacted their claims to supremacy through rituals of prestige deference humiliation and violence The souls of white folk will appeal to those interested in the histories of Africa colonialism and race and can be appreciated by scholars and students alike **Hughes**

The Private Diaries, Memos and Letters Richard Hack,2007 *Jean Stafford* David Roberts,2003-12-31 Jean Stafford burst on the literary scene in 1944 when at the age of twenty nine she published her bestselling novel Boston Adventure Three years later Life magazine hailed her as the most brilliant of the new fiction writers Bafflingly for the rest of her life

Stafford would struggle and fail to capitalize on that early promise David Roberts compelling biography examines Stafford's disastrous marriages including her first marriage to the volatile poet Robert Lowell which culminated for her in a lengthy stay in a psychiatric hospital Beautiful and gifted Stafford squandered her health as well as her talent ending her life embittered and alone

Memoir Ethics Mike W. Martin, 2016-02-10 *Memoir Ethics* Good Lives and the Virtues is a philosophical study of moral themes in memoirs exploring how memoirists present and defend perspectives on good lives It pays particular attention to the interplay of the virtues including their interplay with additional non moral types of values in good lives More generally it explores the relevance of memoir to moral philosophy and in turn how moral philosophy enters into elucidating and critiquing memoirs Memoirs are understood as non fiction narratives written by oneself and significantly about oneself including full life autobiographies Mike W Martin explores perspectives on good lives as they are expressed in memoirs written by both philosophers and non philosophers Most of the chapters focus on one of the generic aspects of good lives moral goodness authenticity meaningfulness happiness health and self fulfillment The book clarifies how memoirists often employ life based arguments in defending value perspectives and it includes a discussion of whether philosophers memoirs are distinctive compared to memoirs by non philosophers and also compared to other forums for doing philosophy Martin highlights some parallels between features of good lives and features of memoirs for example both can be said to be meaningful authentic and having virtues such as wisdom and courage Demonstrating how memoirs are rich resources in exploring the good lives and exploring ways in which philosophical ethics provide tools for interpreting memoirs *Memoir Ethics* will be of interest to a broad audience of students scholars and general readers including anyone interested in ethics or the connections between literature and philosophy

Confessions of a Serial Biographer Carl Rollyson, 2016-03-09 Some critics rank biographers just above serial murderers The author of this book a self described member of the Samuel Johnson school doesn't share this view An account of a life he believes should adhere to the truth as the biographer sees it not to the

sentiments of others This memoir of a professional biographer's life tells the inside story of how he became interested in his subjects and reveals the mechanics of the trade how to assemble proposals for publishers conduct interviews and archival research and joust with editors subjects and their literary estates Other biographers have described their process but remained discrete not wishing to offend their sources and supporters This author has forgone such caution
