Mix, 2011-11-30 Tom Mix became a major star in the 1920s earning over 900 000 for his movie work in 1921 Fox refused however to renew his contract in 1927 and that coupled with the stock market crash of 1929 left him virtually penniless In 1932 Mix resumed his movie career making *Destry Rides Again* his first talkie Later he became a circus owner and star This is the story of Mix's life and career it includes a comprehensive filmography of his work *Underwear Soup* Wayne Felsenfeld, 2001-02-20 Stupid Seymour Klotz was a disenfranchised young individual After all in science lab he mistakenly invented a substance that glued a visiting foreign dignitary's hand to his ass And he was persuaded to rent a suit for an hour to a funeral parlor that needed the garment for a naked stiff It was evident that the gene pool was sufficiently the culprit Claude his father who was a shop steward in a nose hair clipper factory was riddled with dysfunctional roadblocks For example Claude tried to return a toy male doll that had embarrassing large genitalia Also he paid for expensive root canal for his boss howling dog and was charged 100 for a TV service call where the technician needed only to plug the set into the wall outlet Through some strange law of physics things changed suddenly Parlaying monies earned from selling his dirty underwear having a unique flavor to an enterprising caterer turning it into underwear soup Seymour gained great wealth He reversed the constant advice from his parking attendant associate Bump who had the uncanny knack of always being wrong His mind was eventually analyzed at the University of Pennsylvania to study how a person could always be in error

Abstract Humor Eddie Freeman, 2021-11-17 Abstract Humor Volume 3 is a collection of lyrics poems songs and sermons that I have interpreted to my life Abstract adjective existing in thought or as an idea but not having a physical or concrete existence Humor noun the quality of being amusing or comic especially as expressed in literature or speech **The Great Radio Heroes, rev. ed.** Jim Harmon, 2015-11-13 In 1967 Jim Harmon published the first edition of *The Great Radio Heroes* to great acclaim Thirty three years later comes an illustrated corrected revised and greatly expanded new edition Once there was a time and it was not so long ago when radio listening especially to the dramas was one of the most important events in

many a young person's life. People developed a love affair with the radio and though the old times are now gone forever the love affair continues. The heroes and settings of radio drama spurred the imagination to supply its own and much better images than visual media provided. There were no padded shoulders on the Lone Ranger. Superman flew with no jiggly-trick photography and the Martians whom Orson Welles helped attack the Earth were more convincing than anything the movies can provide. For those who have been under the thrall of radio's alluring call, your new host Jim Harmon provides reminiscences of the heyday of radio programming with insights on such radio dramas as *I Love a Mystery*, *Gangbusters*, *The Shadow*, *Inner Sanctum*, *Batman* and *Robin*, *Superman*, *Tom Mix*, *The Lone Ranger*, *The Green Hornet*, *Adventures by Morse* and a couple of dozen more. Photographs, a bibliography and an index are included to enhance the reader's journey into a past time when radio was the favorite pastime.

Radio Mystery and Adventure and Its Appearances in Film, Television and Other Media Jim Harmon, 2011-01-14. From the 1920s to the 1950s radio was the entertainment source for millions. Two of the primary themes of radio serials were mysteries and adventure. This is a detailed analysis of the important programs in these genres: Jack Armstrong, *The Green Hornet*, *Sergeant Preston*, *Tom Mix* and more. Each entry includes type of series, broadcast days, air dates, sponsors, network, cast and production credits and a comprehensive essay. When as often happened the series landed in other media that is examined as well.

Boys' Life, 1988-09. *Boys' Life* is the official youth magazine for the Boy Scouts of America. Published since 1911 it contains a proven mix of news, nature, sports, history, fiction, science, comics and Scouting.

Shopping for Change Louis Hyman, Joseph Tohill, 2017-06-15. Consuming with a conscience is one of the fastest growing forms of political participation worldwide. Every day we make decisions about how to spend our money and for the socially conscious these decisions matter. Political consumers buy green for the environment or they buy pink to combat breast cancer. They boycott Taco Bell to support migrant workers or Burger King to save the rainforest. But can we overcome the limitations of consumer identity: the conservative pull of consumer choice, co-optation by corporate marketers and other pitfalls of consumer activism in order to marshal the possibilities of consumer power? Can we quite literally shop for change? *Shopping for Change* brings together the historical and contemporary perspectives of academics and activists to show readers what has been possible for consumer activists in the past and what might be possible for today's consumer activists.
