Phillips,1995-05-01 This is the definitive work on Roy Rogers the King of the Cowboys The lives and careers of Rogers and his wife Dale Evans are thoroughly covered particularly their work on radio and television The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney Roy Rogers memorabilia are still among the most popular items Includes a comprehensive discography filmography and comicography Heavily illustrated **Resources in Education** ,1990-04 *Loss and the Literary Culture of Shakespeare's Time* Roslyn L. Knutson,David McInnis,Matthew Steggle,2020-03-26 As early modernists with an interest in the literary culture of Shakespeare s time we work in a field that contains many significant losses of texts of contextual information of other forms of cultural activity No account of early modern literary culture is complete without acknowledgment of these lacunae and although lost drama has become a topic of increasing interest in Shakespeare studies it is important to recognize that loss is not restricted to play texts alone *Loss and the Literary Culture of Shakespeare s Time* broadens the scope of the scholarly conversation about loss beyond drama and beyond London It aims to develop further models and techniques for thinking about lost plays but also of other kinds of lost early modern works and even lost persons associated with literary and theatrical circles Chapters examine textual corruption oral preservation quantitative analysis translation and experiments in verbatim theater plus much more The Bihar & Orissa Gazette ,1918 **Shooting and Fishing** ,1904 **Western Field** ,1908 *Soldiers First* Joe Drape,2012-09-04 In *Soldiers First* bestselling author Joe Drape reveals the unique pressures and expectations that make a year of Army football so much more than just a tally of wins and losses The football team at the U S Military Academy is not like other college football teams At other schools athletes are catered to and coddled at every turn At West Point they carry the same arduous load as their fellow cadets shouldering an Ivy League caliber education and year round military training After graduation they are not going to the NFL but to danger zones halfway around the world These young men are not just football players they are soldiers first New York Times sportswriter Joe Drape takes us inside the world of Army football as the Black Knights
