Straight Talk About Weight Control:

Straight Talk about Weight Control Lynn J. Bennion, 1991 This consumer reports book surveys and evaluates the various weight reduction methods currently available from very low calorie diet plans to franchised weight reduction centers to pills potions shots and surgery The authors emphasize making changes in eating habits and life style by increasing physical activity and reducing calorie intake

Straight Talk from the Doctor Uchechi Wosu, 2014-02-20 Straight Talk From the Doctor is a book that needs to be read by anyone who wants to know the right way of losing weight and living healthy This book gives simple and direct instructions and advice on what to eat not to eat and what to do to live a happy and healthy life It is the type of book that could very well be written together by your psychologist physician clergyman and loved one It contains information you needed to hear a long time ago

Straight Talk to Teachers Bruce J. Gevirtzman, 2009-11-16 In a no holds barred candid delivery Straight Talk to Teachers Twenty Insane Ideas for a Better Classroom drives directly to the core of what makes an extraordinary teacher and presents an honest appraisal of why some teachers fail Bruce J Gevirtzman speaks to teachers about teachers and for teachers He says This book will provide readers with a hearty laugh but it also may cause some of them to scream Rarely does anyone talk about the best ways of helping teachers to become better because these truths are sometimes scary Gevirtzman is convinced that our greatest teachers are hard working emotionally well adjusted and incredibly enthusiastic about their students their subject matter and their jobs By telling it straight this book can make a huge difference in the way teachers go about their work

Straight Talk on Stuttering Lloyd M. Hult, 2004 This new and expanded second edition is written for people who stutter and for those who interact with people who stutter including caregivers teachers and speech language pathologists The text is presented in two parts The first part includes basic information about the disorder and addresses common questions that people have about stuttering What is stuttering What causes it How does it develop Can it be prevented This section also includes a new chapter entitled Living with Stuttering The second part of the book discusses effective therapy approaches used with both children and adults who stutter This part includes another new chapter Evaluating People Who Stutter The text is written in a very reader friendly and practical manner It represents a reasonably thorough review of what is known about stuttering and offers bottom line conclusions rather than theoretical speculations and research findings that arrived at these conclusions While the text includes the technical language used by speech language pathologists in reference to stuttering great care has been taken to explain each term In addition the book includes a helpful glossary This unique and exceptional book is written by a clinician who stutters and who is passionate about helping others learn about stuttering He addresses the reader not as a guru of truth but as a person who has gained some understanding about stuttering through both his professional and personal experiences with the disorder

The DASH Diet to End Obesity William M. Manger,Jennifer K. Nelson,Marion J. Franz,Edward J Roccella,2014-03-01 Called the good nutrition bible by one reviewer The DASH Diet to End Obesity is the ultimate guide to common sense lifestyle changes that will improve the health of the entire family With a special emphasis on prevention this book is written for parents teachers and anyone concerned about protecting themselves and their children from the health risks of obesity This book is the most comprehensive guide to the DASH diet plan yet published DASH Dietary Approaches to Stop Hypertension was first formulated to combat hypertension high blood pressure But numerous studies have shown that the eating plan is also useful for dealing with excess weight abnormal blood fats Type 2 diabetes and other health concerns The DASH diet has soared in popularity because not only does it allow people to take charge of their own health and that of their families they can do it while eating delicious food The plan emphasizes seasonings spices healthy oils fruits vegetables nuts and other flavorful food choices But unlike a mere recipe book The DASH Diet to End Obesity explains the science and psychology of how to find success with the DASH approach Author Dr William Manger and his three distinguished colleagues have crafted a reader friendly book geared to motivate people to make healthy informed changes in their daily lives The book offers in depth information about fats cholesterol vitamins and minerals omega 3 fatty acids fiber and more An entire section is devoted to the role of salt and the dangers of consuming too much salt especially for people who are overweight The book also contains a special chapter about eating for the management of diabetes Not only do the authors present a lot of information in an accessible tone they provide detailed descriptions of how to incorporate this knowledge into every meal with memory strategies charts and quick tips The DASH eating plan is not just a diet however and the book covers the importance of sleep physical exercise and staying psychologically motivated The authors also dissect the reasons other diets fail and discuss the risks and benefits of other methods of weight loss including surgery and weight loss drugs This book represents the life work of the four prestigious authors it is not a jump on the bandwagon response to the recent popularity

of the DASH diet Dr William Manger has been such a proponent of the DASH lifestyle that he has founded an organization that teaches the eating plan to young children in schools Medical researchers and experts today are saying many parents could outlive their children because of runaway childhood obesity This is the scenario The DASH Diet to End Obesity is dedicated to reversing Women's Symptoms Ivan Strausz,2009-10-07 Women s Symptom s is designed to help women understand their symptoms and decide if consultations or investigations are warranted As well as a listing of both medical and gynecological symptoms Women s Symptom s contains a brief section on diseases which affect women Anemia Endometriosis Ovarian Cysts Toxic Shock Syndrome Rather than give a general description of medicine and disease Dr Strausz gives detailed medical explanations in understandable language so that women may understand fully the medical problem behind their symptoms This guide teaches women to interpret their symptoms using the methods and diagnosis techniques used by the best health care professionals and perhaps most importantly provides them with the information necessary to ensure that they are receiving medical care of the highest quality Some of the symptoms listed in the guide include Abdominal pain Arm wrist and hand pains Depression Headaches Urinary symptoms From the Trade Paperback edition **Political Straight Talk** H. John Lyke,2016-02-25 In writing the Declaration of Independence and the Constitution our Founding Fathers established a democratic republic with a solid political basis What they wrote was the political map that future representatives would need to follow to conduct the people s business in an efficient and effective manner As long as they faithfully carried out the people s will our democracy and republic would function in a way congruent with our forebears wishes What in the world happened H John Lyke a board certified psychologist and professor emeritus at Metropolitan State College of Denver and the author of multiple political psychology books suggests that ever since George Washington retired as captain of our ship of state subsequent presidents and members of Congress have failed to use the sailing chart of the Constitution Instead they ve chosen to pursue their own and their political parties self interests Lyke uses psychological principles to explore the reasons why our government has fallen so low and in the voice of a kind but determined therapist he offers simple and viable solutions to get us back to following our map *Straight Talk about Weight Control* Lynn J. Bennion,Edwin L. Bierman,James Mecham Ferguson,1991-01-01 Consumer Economics: A Practical Overview Steven Dale Soderlind,2016-09-16 This work focuses on the service economy it introduces the fundamentals of markets consumer choice financial assessment risk avoidance and other topics **Effective Weight Loss That Works** Michael G. a Brown,2012-01-17 This book has useful effective weight loss ideas that health trainers have found to be effective The important theme running through this book is the importance of living a healthy balanced life Crash diets can give poor value if a person goes back to an unhealthy lifestyle The book also stresses that most foods can be eaten in the right amounts but the diet must be overall healthy A balanced life must include regular exercise and drinking a regular amount of pure water is important in flushing the body of toxins It is also important to enjoy the exercise that you are doing

so it is important to do exercise that you enjoy doing The value of high fiber is discussed and how eating high fiber can also burn calories This book is not a lose weight loss fast book but looks at developing a healthy life style It is also important to be aware that there are good fats the the body needs so the book looks at the valuable fats **Don't Get Duped** Larry M. Forness,2013-10-07 In the health and fitness industry truth is a scarce commodity charges Dr Larry M Forness American consumers exposed to a daily barrage of hype and misinformation about all the products and services that claim to make them healthier and more attractive annually spend forty billion dollars needlessly on a cornucopia of vitamins minerals herbal supplements ergogenic aids fitness equipment and alternative healthcare treatments In this survival manual Forness s goal is to teach consumers the critical tools to make them more knowledgeable about these questionable items The topics covered include the real meaning of scientifically proven methods for quantitatively analyzing such claims as more energy and improved strength alternative healthcare treatments vs hard science fad diets aging remedies abuse of the labels certified and licensed plus an extremely useful glossary explaining commonly used marketing terms To reinforce his message Forness has originated the Bozo du Jour Award bestowed on various individuals groups or companies that have created or participated in misleading advertising or have done something that could harm consumers Before you begin yet another weight loss or fitness program or buy the next healthcare product you owe it to yourself to read what Dr Forness has to say

Why Women Need Fat William D. Lassek M.D.,Steven Gaulin,2011-12-29 The groundbreaking discovery that shows why women need fat to lose fat Why do women struggle so much with weight Can women ever lose weight and keep it off In this research driven and counterintuitive book an anthropologist and a public health doctor team up to answer those questions Blending anecdotal evidence with hard science they explain how women s weight is controlled by evolution but more important they reveal how a change in diet three decades ago may be the reason women today are bigger than their grandmothers were Explaining why fat both in our diet and in our body is crucial to long term health the authors show not only why women tend and need to get heavier after having their first child but also destroy cultural myths like all fat is bad for you Providing a plan that can help any woman achieve a natural healthy weight without dieting Why Women Need Fat not only gives women the tools they need to shed weight but also a better understanding of why those last five pounds seem impossible to lose

Parenting, Uncensored: Straight Talk from Real Moms on Breastfeeding Editors and Community of Babble.com,2013-04-30 There are two facts that all new parents learn Breast is best and If momma ain t happy ain t nobody happy The first is learned from books nurses pediatricians lactation consultants unsolicited advice from strangers and embroidered pillows The second lesson is often a product of the first In twelve frank and funny essays Parenting Uncensored gives a range of perspectives on an often controversial topic breastfeeding From Stefanie Wilder s plea for everyone to stop judging one another to Ilana Wiles s account of pumping in public You don t know breast pump awkwardness until two 20 year old guys are coordinating your pumping session over walkie talkies then appearing to escort you to the back of the hair
