Seven years ago baseball player Jace Cooper left her without a second thought or the chance to share the life-changing secret she swore she'd keep from him forever. Now he was back wanting both her help and a second chance. Becca hadn't changed and she didn't believe Jace had either but as she helped him repair his broken body and his fractured past she would find she was wrong on both counts. The only thing that had stayed the same was the most important thing of all and now suddenly time was running out.
