Straighten Up and Fly Right Will Friedwald, 2020 In this complete life and times biography author Will Friedwald offers a new take on Nat King Cole framing him first as a bandleader and then as a star

Straighten Up and Fly Right Klaus Teubig, 1987

Southern History Remixed Michael T. Bertrand, 2024-01-30 How popular music reveals deep histories of racial tensions in southern culture Southern History

Remixed spotlights the key role of popular music in the shaping of the United States South from the late nineteenth century to the era of rock n roll in the 1940s 50s and 60s While musical activities are often sidelined in historical narratives of the region Michael Bertrand shows that they can reveal much about social history and culture change as he connects the rise of rock n roll to the civil rights movement for racial equality In this book Bertrand traces a long term culture war in which white southerners struggled over the region s cultural complexion with music serving as an engine that both sustained and challenged white supremacy He shows how rock n roll emerged as a working class genre with biracial sources that stoked white racial anxieties and engaged the region s color and culture lines This book discusses the conflict over southern identity that played out in responses to jazz barn dance radio Pentecostal and gospel music Black radio programming and rhythm and blues concluding with a close look at the popularity of Elvis Presley within a racially segregated society Southern History Remixed suggests that both Black and white southerners have used music as a tool to resist or negotiate a rigid regional hierarchy Urging readers and scholars to take the study of popular music seriously Bertrand argues that what occurs in the music world affects and reflects what happens in politics and history A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller *The Waylon Jennings Discography* John L. Smith, 1995-06-13 A prime source of one of country music s greatest this closely documented history follows the musical career of Waylon Jennings from his early days as a member of Buddy Holly s group The Crickets through his sometimes combative relationship with the Nashville musical establishment and his emergence as a viable force in the country music scene to his current status as a superstar Popular music scholars and students as well as country music fans will find this a valuable source of information not only on Jennings but on the country music industry In his foreword to this volume Johnny Cash describes his friend as an American original A prime source for one of country music s greatest this closely documented history follows the musical career of Waylon Jennings from his early days as a member of Buddy Holly s group The Crickets through his sometimes combative relationship with the Nashville musical establishment and his emergence as a viable force in the country music scene to his current status as a superstar Popular music scholars and students as well as country music fans will find this a valuable source of information not only on Jennings but on the country music industry In his foreword to this volume Johnny Cash describes his friend as an American original In addition to his relationship with the Holly organization he gave up his seat on the plane that would crash shortly after take off from Mason City Iowa in February 1959 killing Holly Ritchie Valens and J P Richardson The Big Bopper the Sessions section shows Waylon s association with Willie Nelson his partnership with Nelson Cash and Kris Kristofferson in forming the Highwaymen group and his success in the rejuvenated country music world Uncompromised he continues to produce his own brand of Waylon Music The Discography numbers 360 pages including extensive Releases and Billboard Chart sections making this a comprehensive reference work Johnny Cash and Johnny Western both contributed forewords for their great friend and colleague *Ethnic and Vernacular Music, 1898-1960* Paul Vernon, 1995-12-11 Detailed

information on almost all ethnic and vernacular recordings from many countries on 78rpm is provided in this seminal work. The current state of discographical research in this wide and varied field is such that a research tool of this nature is badly needed. Jesse Walter Fewkes and Mary Hemenway recorded Native American music as early as 1890. Bela Bartok recorded rural music in the Balkans. Erich von Hornbostel, the grand old man of ethnomusicology in Europe, recorded in Southeast Asia. More than just a discography, this work demonstrates that cultures around the world and over time have more similarities than differences. A necessity for scholars, students, archivists, and individual record collectors and dealers. The goals of this volume are many and varied: to promote thought and discussion toward a concise definition of recorded ethnic music; to assist specialists working on individual discographical projects; to introduce users to the interconnectedness of cultures through regional music; to gather heretofore disparate pieces of information under one cover in a way that for the first time allows specialists to accurately identify all manner of recordings in many languages. The four sections of the volume work together for easy usage through cross referencing. The philosophy behind the volume was expressed by Rodney Gallop when he remarked that music for him was often the key to the understanding of other cultures.

The London Philharmonic Discography, 1997-01-21. This great London orchestra made its debut in a recording session shortly before its first public concert in 1932 and now has well over a thousand recordings to its credit. All are dated and detailed for the first time in this meticulous study researched from primary sources. Commercial sessions account for most of the 1300 entries, but the main chronological sequence also includes live recordings and videos. Copious indexing allows access to the main chronological listings via performers, repertoire, record companies, or locations. The study can also be read as a cross section of the work of the classical recording industry. Appendixes cover film soundtracks, recordings made by the London Philharmonic Choir independently of the orchestra, controversial attributions, and principal players in the orchestra. Indexes of and notes on the recorded repertoire, conductors who have recorded with the orchestra, and the studios, halls, and churches used as recording venues are supplemented by a comprehensive general index of soloists, singers, including full casts of operas, producers, engineers, and recording companies, giving easy access to a wealth of information, most of which has previously been unpublished.

100 Entertainers Who Changed America, Robert C. Sickels, 2013-08-08. This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film, television, and music as influential pop stars. Comprising approximately 100 entries from more than 50 contributors from a variety of fields, this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture, not their popularity. The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers. Each subject's influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of

intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship

Constructing Black Selves Lisa Diane McGill,2005-11-01 In 1965 the Hart Cellar Immigration Reform Act ushered in a huge wave of immigrants from across the Caribbean Jamaicans Cubans Haitians and Dominicans among others How have these immigrants and their children negotiated languages of race and ethnicity in American social and cultural politics As black immigrants to which America do they assimilate Constructing Black Selves explores the cultural production of second generation Caribbean immigrants in the United States after World War II as a prism for understanding the formation of Caribbean American identity Lisa D McGill pays particular attention to music literature and film centering her study around the figures of singer actor Harry Belafonte writers Paule Marshall Audre Lorde and Piri Thomas and meringue hip hop group Proyecto Uno Illuminating the ways in which Caribbean identity has been transformed by mass migration to urban landscapes as well as the dynamic and sometimes conflicted relationship between Caribbean American and African American cultural politics Constructing Black Selves is an important contribution to studies of twentieth century U S immigration African American and Afro Caribbean history and literature and theories of ethnicity and race

Keller,1997 This text has been the standard guide to source literature of music and contains critically annotated listings of over 3 500 key sources This comprehensive guide to reference sources is organized into chapters by category of source The text s organization introduces students to a vast array of sources to include Dictionaries and Encyclopedias Histories and Chronologies Sources of Systematic and Historical Musicology Bibliographies of Music Music Literature and Music Business Reference Works on Individual Composers and Their Music Catalogs of Libraries and Musical Instrument Collections Discographies Yearbooks Directories Electronic Resources

The Songs that Fought the War John Bush Jones,2006 A lively social history of popular wartime songs and how they helped America s home front morale

Wolf-Women and Phantom Ladies Steven Dillon,2015-03-16 Provides encyclopedic coverage of female sexuality in 1940s popular culture 2015 CHOICE Outstanding Academic Title Popular culture in the 1940s is organized as patriarchal theater Men gaze upon evaluate and coerce women who are obliged in their turn to put themselves on sexual display In such a thoroughly patriarchal society what happens to female sexual desire Wolf Women and Phantom Ladies unearths this female desire by conducting a panoramic survey of 1940s culture that analyzes popular novels daytime radio serials magazines and magazine fiction marital textbooks Hollywood and educational films jungle comics and popular music In addition to popular works Steven Dillon discusses many lesser known texts and artists including Ella Mae Morse a key figure in the founding of Capitol Records and Lisa Ben creator of the first lesbian magazine in the United States Steven Dillon is Professor of English at Bates College and the author of Derek Jarman and Lyric Film The Mirror and the Sea and The Solaris Effect Art and

Artifice in Contemporary American Film

African American Lives Henry Louis Gates Jr., Evelyn Brooks

Higginbotham, 2004-04-29 *African American Lives* offers up to date authoritative biographies of some 600 noteworthy African Americans. These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume *African American National Biography* illuminate African American history through the immediacy of individual experience. From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history. Our past is revealed from personal perspectives that in turn inspire, move, entertain and even infuriate the reader. Subjects include slaves and abolitionists, writers, politicians and business people, musicians and dancers, artists and athletes, victims of injustice and the lawyers, journalists and civil rights leaders who gave them a voice. Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America's past and present. *African American Lives* features frequent cross references among related entries, over 300 illustrations and a general index supplemented by indexes organized by chronology, occupation or area of renown and winners of particular honors such as the Spingarn Medal, Nobel Prize and Pulitzer Prize.

Tantalizing Tingles

Ross Laird, 1995-04-30 For the first time all data for recordings of non classical piano made for issue on disc and cylinder records prior to 1935 are brought together in this work. The majority of the listing consists of material which has never been published in any form. The volume includes piano solos, duets, trios and quartets as well as selected titles where a soloist is featured within a recording by a dance band or orchestra. It covers a wide variety of pianists and piano styles including ragtime, stride, novelty, syncopated, boogie and blues. This work will be of interest to major libraries, archives and schools of music as well as researchers and collectors. The recordings covered in this work range from the earliest known piano recordings which were made in 1889 as cylinder records for the North American Phonograph Company through recordings of the early 1930s by some of the great jazz pianists of that era: Mary Lou Williams, Garland Wilson, Herman Chittison, Art Tatum and Teddy Wilson. In between are a wide variety of pianists and piano styles from around the world. While many of the solos recorded were of popular tunes of the day, there is also a fascinating selection of piano compositions often played by the composer. They include such well known names as Felix Arndt, Nacio Herb Brown, Hoagy Carmichael, Rudolf Friml, George Gershwin, John W. Green, Ferdie Grofe, Ralph Rainger, Leslie Stuart, Clarence Williams and Vincent Youmans. A comprehensive title index includes composer credits for the majority of titles listed.

Berliner

Gramophone Records, 1995-05-30 Just over 100 years ago Emile Berliner invented the gramophone and disc record. This is the first discography assembled of the first disc recordings in the United States. It documents over 3 000 discs which were sold to the American public from 1892 to 1900. Listings are arranged by catalogue number and cross indexed by title, performer and recording date. The gramophone discs are valuable research tools in the study of popular culture, providing objective data about what was offered to the public and how it was performed. Since this information has never been

published scholars may well find new materials Berliner's successor was the Victor Talking Machine Company an ongoing Greenwood discography series An introductory essay discusses the earliest years of the invention and the repertoire appearing on the discs Their physical properties are noted and illustrated with photographs of the records A descriptive bibliography guides readers to other books and articles of interest Another section lists Berliner Gramophone records that have been reissued on long playing and compact discs This volume will be of interest to gramophone record collectors record archives and music libraries as well as to scholars music students and buffs *The Decca Labels: Country recordings, classical recordings & reissues* Michel Ruppli, 1996 **The Decca Labels: The California sessions** ,1996 **The Decca Labels: The eastern sessions (1943-1956)** Michel Ruppli, 1996 **The Decca Labels: The eastern & southern sessions (1934-1942)** Michel Ruppli, 1996

The Top Books of the Year Straighten Up And Fly Right A Chronology And Discography Of Nat The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Straighten Up And Fly Right A Chronology And Discography Of Nat : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
