A Strange Freedom Howard Thurman, 2014-11-18 A spiritual advisor to Martin Luther King Jr the first black dean at a white university cofounder of the first interracial pastored intercultural church in the United States Howard Thurman offered a transcendent vision of our world This lyrical collection of select published and unpublished works traces his struggle with the particular manifestations of violence and hatred that mark the twentieth century His words remind us all that out of religious faith emerges social responsibility and the power to transform lives Howard Thurman Kipton E. Jensen, 2019-12-03 Although he is best known as a mentor to the Reverend Martin Luther King Jr Howard Thurman 1900 1981 was an exceptional philosopher and public intellectual in his own right In *Howard Thurman Philosophy Civil Rights and the Search for Common Ground* Kipton E Jensen provides new ways of understanding Thurman s foundational role in and broad influence on the civil rights movement and argues persuasively that he is one of the unsung heroes of that time While Thurman s profound influence on King has been documented Jensen shows how Thurman s reach extended to an entire generation of activists Thurman espoused a unique brand of personalism Jensen explicates Thurman s construction of a philosophy on nonviolence and the political power of love Showing how Thurman was a social activist mystic as well as a pragmatist Jensen explains how these beliefs helped provide the foundation for King s notion of the beloved community Throughout his life Thurman strove to create a climate of inner unity of fellowship that went beyond the barriers of race class and tradition In this volume Jensen meticulously documents and analyzes Thurman as a philosopher activist and peacemaker and illuminates his vital and founding role in and contributions to the monumental achievements of the civil rights era

Black Religious Intellectuals Clarence Taylor, 2013-04-15 Professor Clarence Taylor sheds some much needed light on the rich intellectual and political tradition that lies in the black religious community From the Pentecostalism of Bishop Smallwood Williams and the flamboyant leadership of the Reverend Al Sharpton to the radical Presbyterianism of Milton Arthur Galamison and the controversial and mass mobilization by Minister Louis Farrakhan black religious leaders have figured prominently in the struggle for social equality in America *The Way of the Mystics* Eisenstadt, Peter, Fluker, Walter Earl, 2021-08-25 Sermons by Howard Thurman on mystics and mysticism **The Domestication of Martin Luther King Jr.** Lewis V. Baldwin, Rufus Burrow, 2013-07-03 Clarence B Jones close King advisor and draft speechwriter has done much to reinforce a conservative hijacking of King s image with the publication of his controversial books *What Would Martin Say* 2008 and *Behind the Dream* 2011 King emerges from Jones s books not as a prophetic radical who attacked systemic racial injustice economic exploitation and wars of aggression but as a fiercely conservative figure who would oppose affirmative action and illegal immigration *The Domestication of Martin Luther King Jr* offers a critique of Jones s work and the larger effort on the part of right wing conservatives to make King a useful symbol or the sacred aura in a protracted campaign to promote their own agenda for America This work establishes the need to rethink King s legacy of ideas and activism and its

importance for our society and culture Contributors include Lewis V Baldwin Rufus Burrow Jr Adam Fairclough Walter Earl Fluker Shirley T Geiger Cheryl A Kirk Duggan Michael G Long Rosetta E Ross George Russell Seay Jr Traci C West

Emancipation Betrayed Paul Ortiz, 2005-03-29 Paul Ortiz's lyrical and closely argued study introduces us to unknown generations of freedom fighters for whom organizing democratically became in every sense a way of life Ortiz changes the very ways we think of Southern history as he shows in marvelous detail how Black Floridians came together to defend themselves in the face of terror to bury their dead to challenge Jim Crow to vote and to dream David R Roediger author of *Colored White* Transcending the Racial Past *Emancipation Betrayed* is a remarkable piece of work a tightly argued meticulously researched examination of the first statewide movement by African Americans for civil rights a movement which since has been effectively erased from our collective memory The book poses a profound challenge to our understanding of the limits and possibilities of African American resistance in the early twentieth century This analysis of how a politically and economically marginalized community nurtures the capacity for struggle speaks as much to our time as to 1919 Charles Payne author of *I've Got the Light of Freedom*

Soul Woundedness Paul Houston Blankenship-Lai, 2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle's unhoused youth *Soul Woundedness* is an intimate piercing book about everyday life for young adults living on the streets of Seattle Based on over five years of research and as a participant observer Paul Houston Blankenship-Lai presents the personal experiences of street kids highlighting how their spiritual beliefs and practices offer them comfort a sense of community and a feeling of belonging amidst their struggles They also demonstrate how spirituality on the streets can alienate people from themselves and the world The stories Blankenship-Lai tells here are about how social wounds go soul deep and how seemingly antireligious spiritual practices fashioned in an almost unlivable local world help people create a life still worth living By paying deep sustained attention to what spirituality is like on the streets and what difference it

makes Blankenship Lai uncovers an important overlooked dimension in the experience and study of homelessness They invite us to enter these stories and to question how our own spiritual and otherwise practices can help create a more loving love Aimed at a diverse audience Soul Woundedness is a book not merely to educate but to transform It is particularly relevant for those interested in spirituality s role in addressing social inequities and underscores the importance of spiritual practices in overcoming adversity and promoting social change making a compelling case for a world where everyone has a place to call home

The Relevance of Bernard Lonergan's Notion of Self-appropriation to a Mystical-political Theology Ian B. Bell, 2008 In The Relevance of Bernard Lonergan's Notion of Self Appropriation to a Mystical Political Theology Ian Bell takes on the issue of the separation of the interior and exterior lives that has come to dominate mystical theology over the years The mystical life he claims is necessarily involved in the establishment of social structures and institutions that govern human living and the work of Bernard Lonergan on the human subject provides a means by which the connection between the interior and exterior lives may be established Because human persons operate in a consistent pattern regardless of a given moment's particularities mystical experience is no longer relegated to so called spiritual matters and the insights of mystics may be applied to the Christian call to live as agents of love With this connection in place mystical theology and political theology come together in a theology that is both mystical and political
