

A close-up photograph of a window pane covered in raindrops. A bright red light source, possibly a fire or a lamp, is visible on the left side, creating a strong red glow and illuminating the raindrops. The rest of the window is dark, with some blue and white light reflecting off the glass. The raindrops are of various sizes and are scattered across the entire surface of the glass.

Next time a stranger talks to you when  
you're alone, just look at them shocked  
and whisper "You can see me?"
