Stranger To Innocence:

A Stranger's Journey David Mura, 2018-08-01 Long recognized as a master teacher at writing programs like VONA the Loft and the Stonecoast MFA with *A Stranger's Journey* David Mura has written a book on creative writing that addresses our increasingly diverse American literature Mura argues for a more inclusive and expansive definition of craft particularly in relationship to race even as he elucidates timeless rules of narrative construction in fiction and memoir His essays offer technique focused readings of writers such as James Baldwin ZZ Packer Maxine Hong Kingston Mary Karr and Garrett Hongo while making compelling connections to Mura's own life and work as a Japanese American writer In *A Stranger's Journey* Mura poses two central questions The first involves identity How is writing an exploration of who one is and one's place in the world Mura examines how the myriad identities in our changing contemporary canon have led to new challenges regarding both craft and pedagogy Here like Toni Morrison's *Playing in the Dark* or Jeff Chang's *Who We Be* *A Stranger's Journey* breaks new ground in our understanding of the relationship between the issues of race literature and culture The book's second central question involves structure How does one tell a story Mura provides clear insightful narrative tools that any writer may use taking in techniques from fiction screenplays playwriting and myth Through this process Mura candidly explores the newly evolved aesthetic principles of memoir and how questions of identity occupy a central place in contemporary memoir

Strange Encounters Sara Ahmed, 2013-02-01 Examining the relationship between strangers embodiment and community *Strange Encounters* challenges the assumptions that the stranger is simply anybody we do not recognize and instead proposes that he or she is socially constructed as somebody we already know Using feminist and postcolonial theory this book examines the impact of multiculturalism and globalization on embodiment and community whilst considering the ethical and political implication of its critique for post colonial feminism A diverse range of texts are analyzed which produce the figure of the stranger showing that it has alternatively been expelled as the origin of danger such as in neighbourhood watch or celebrated as the origin of difference as in multiculturalism The author argues that both of these standpoints are problematic as they involve stranger fetishism they assume that the stranger has a life of its own

Stranger in a Strange Land George Prochnik, 2017-03-21 Taking his lead from his subject Gershom Scholem the 20th century thinker who cracked open Jewish theology and history with a radical reading of Kabbalah Prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of Israel In *Stranger in a Strange Land* Prochnik revisits the life and work of Gershom Scholem whose once prominent reputation as a Freud like interpreter of the inner world of the Cosmos has been in eclipse in the United States He vividly conjures Scholem's upbringing in Berlin and compellingly brings to life Scholem's transformative friendship with Walter Benjamin the critic and philosopher In doing so he reveals how Scholem's frustration with the bourgeois ideology of Germany during the First World War led him to discover Judaism Kabbalah and finally Zionism as potent counter forces to Europe's

suicidal nationalism Prochnik's own years in the Holy Land in the 1990s brings him to question the stereotypical intellectual and theological constructs of Jerusalem and to rediscover the city as a physical place rife with the unruliness and fecundity of nature Prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by Kabbalah and Zionism in Jewish thought
